PRO Lacrosse  
Folding Throwback

## Two People are recommended for Assembly

Lay the Mat on the Ground. Follow the step by step pictures to the right 1 to 5.  
After step 4, insert safety bolts and nuts.

Keep the black mat laying face down on the ground and follow Diagram 6

Attach the tilting side bars into the black mat throwback assembly.  
**Note:** Make sure the center side bar tube, with the holes, is facing up (part 1410).

Press the silver button on the side tilting adjustment bar. It is located on the center tube with many holes (part 1410). Extend the sides bars. Connect the bottom side bar plate into the large top rectangle slot on the bottom base tube (part 1505). Insert the pull pin from the inside of the throwback out. See Diagrams below:

Tie the pull pin to the small hole on the side bar plate, so that it does not get lost when storing.

## Adjusting the Angle of the Throwback Frame

The throwback side bars have a **special patent pending feature** that enables you to adjust the throwback without going from hole to hole.

- 1 Push the silver middle button in, twist to the right.
- 2 Do the same with the other side bar.
- 3 Adjust the tilting angle.
- 4 Twist both bars back to the left and locate holes.

**Note:** Do not use the bottom 2 Safety slots on the side bars.

The safety pull pin must be in at all times when open

## Adjusting Throwback

## FOLDING INSTRUCTIONS

Two People are recommended for folding and opening

1. Unclip the side covers that protect the springs and fold the flaps in so the mat does not tear when folding.
2. Lay the throwback on the ground facing down.
3. Take the pull pins out of the side bar at the bottom base.
4. Fold the base away from the throwback.
5. Shorten the side bars and secure into the folding section holes with the pull pins.
6. Take the 2 center pull pins out of the mat folding section.
7. Step on the lower section of the mat. Hold firmly and pull the top section and fold it in. Fold in and reinsert pin for storage.
8. Take the bottom base and fold it onto the top of the mat. Clip the safety pins to hold the bottom base together to the throwback for storage. Store in dry area.

## Opening Instructions

Reverse the Folding Instructions.

Safety pins must be in at all times when open.

Use Pin here for storage

## SAFETY PRECAUTIONS

**WARNING**

- Manufacturer suggests wearing safety goggles for net assembly, to protect against bungee cords hitting eye.
- As with any play equipment, children MUST be supervised at all times.
- Use product on a level surface.
- Never use near steps or stairs.
- For outdoor use only.
- Allow 8 feet from structures such as a fence, garage, house, overhanging branches, laundry lines, or electrical wires.
- Use common sense, and all the same precautions as you would when playing sports.
- Secure unit, so high winds do not blow it over.

**WARNING**

- Never allow anyone (people or pets) to stand behind the Net or in any possible path of a ball or puck should you miss the net or should the ball or puck go through the net.
- Inspect unit before and during each use. Replace any worn or damaged parts.
- Never allow children to stand on unit. This could cause damage to unit and result in an injury.
- Do not use bungees for any other purposes other than to apply net.
- As with any sporting activity, always wear the recommended safety equipment.
- Never leave children unattended.
- Use protective eyewear when securing bungees.
