

RoboDawgs Booster Club
PO Box 426
Mandeville, LA 70470

Dear Local Business Owner & Community Member,

Did you know that the fee for a high school robotics team to enter a single robotics competition cost \$3,000-\$5,000? The parents of the Fontainebleau High School RoboDawgs have formed a booster club to make our kids' robotics dreams come true. We fund robot parts, tools, electronic equipment, 3D printers, and all other components that bring our kids' imaginations to life. This includes expensive competition entry fees! We encourage you to help support these incredible students in their pursuit of engineering excellence.

We offer five levels of sponsorship as listed below:

A.J. Higgins – Silver: \$100 - \$250

Your company logo will be on our team website, and we will display any promotional items that you send us during all events we attend

M. Curie – Gold: \$300 - \$500

Your company logo will be on our team website, banner, and we will display any promotional items that you send us during all events we attend

S. Hawking – Diamond: \$550 - \$750

Your company logo will be on our team website, banner, t-shirt, and we will display any promotional items that you send us during all events we attend

A. Einstein – Platinum: \$800 – \$1,000

Your company logo will be on our team website, banner, t-shirt, robot, and we will display any promotional items that you send us during all events we attend

I. Newton – Titanium: \$1,200 and up

Your company logo will be on our team website, banner, t-shirt, robot, trailer, and we will display any promotional items that you send us during all events we attend

Hundreds of people would see your company logo advertised as a sponsor on the items listed above, especially when we are out in the community and metro area showcasing and volunteering. The RoboDawgs Booster club is a 501c Non-Profit Organization, so your donation is tax-deductible! Please consider showing your support for our FHS RoboDawgs!

Invest in the FHS RoboDawgs! Invest in the future!
