Sub: Deployment of electronic facility at Employer Interface of EPFO's Unified Portal for Principal Employers to view EPF compliances of their Contractors & contract workers.

Sir,

The EPF & MP Act, 1952 defines employee u/s 2 (f) as any person who is employed for wages in any kind of work, manual or otherwise, in or in connection with the work of an establishment, and who gets his wages directly or indirectly from the employer and includes any person employed by or through a contractor in or in connection with the work of the establishment.

Many employers outsource business processes of their establishment to contractors and also engage workers in or in connection with the work of the establishment by or through contractors and in such cases employer's liability under EPF & MP Act, 1952 is payable by the Principal employers. The contractors are registered independently as establishment with EPFO and they are required to report EPF compliance in r/o workers provided to their Principal Employers through ECRs. The UANs of the workers and the attendance / wage payment records are verified by the Principal employers to settle the claims.

Now with deployment of aforesaid facility,

1. EPFO registered employers engaging employees by or through contractor(s) can add the details of contractor(s), contract amount, tenure & UANs of contract employees at Employer Interface of EPFO's Unified Portal: <https://unifiedportal-emp.epfindia.gov.in/epfo/>

Principal Employers not registered with EPFO can register on above Portal with Income Tax TAN to receive Login/password for adding details of their contractors & contract workers.

2. On adding contractor's & employees details, principal employer can view through their login the employee wise remittance made by contractors through ECR for any wage month during tenure of contract.
3. Principal employer can view whether the employer's share of EPF contributions (13% of contract worker's wages) paid by the principal employer has been remitted by the contractor in r/o all contract workers or not.

Pg. 2

The facility ensures ease of compliance with provisions of Sec 8A of the Act read with Para 30 and 32 of the EPF Scheme, 1952 by Principal employers and compliance to provisions of Para 36-B of the EPF Scheme, 1952 by the contractor establishments and extension of membership of Scheme and remittance of contributions in respect of all contract workers.

A write up on the procedure of registration as principal employer, adding contractor and employee details, compliance dash board for employers is attached for clarity and guidance of the Principal employers and contractor establishments.

The Zonal Offices and Regional Offices shall conduct webinars with major establishments engaging services of contract employees and major manpower suppliers to disseminate information for ease of compliance and enrollment of all contract workers as members of Schemes and timely remittance of their contributions. A Power point presentation on the facility is attached for use in the webinars.

Any doubts or queries regarding the facility may be addressed to the DD (IS) at NDC through email on harsh.kaushik@epfindia.gov.in.

(This issues with the approval of the Central Provident Fund Commissioner)

Encl: As above

Yours faithfully

(Pankaj Raman)

Addl. CPFC (Compliance)

Facility for Principal Employer to view compliances of their employees engaged by or through Contractors

A new facility has been added in the login of all employers to declare their Contractors (registered with EPFO) and the period of contract so that they as Principal employers may through their login view & monitor the compliance in respect of their contract employees reported in ECR by their contractors.

Under the EPF & MP Act, 1952 the definition of employee in section 2 (f) includes a person employed indirectly by or through a contractor.

With this facility, Principal Employers can view the amount of wages on which the EPF dues have been remitted by the contractor as compared to the wages and EPF employer's share paid to contractor under the contract.

Benefit schemes of PMRPY & ABRY are being operated by the Central Government under which contractor as independently registered estts claim the Employee's and Employer's Share of EPF contributions from Central Government.

Now Principal Employers through this facility can view such benefits claimed from Central Govt. by their contractors in respect of their contract employees & regulate their payments to contractor accordingly.

- ❖ **Edit Button:** Through edit button, principal employer can edit contract date and work order file of the contractor.
- ❖ **Delete Button:** Through delete button, principal employer can delete the record of added contractor.

Registration of a principal employer not covered under the EPF and MP Act 1952 & not registered with EPFO

- Such Principal Employers like the Railways, CPWD, Government Departments can also utilize the facility for viewing the compliance by their contractors and can know of the exact amount of subsidy received against their contract workers.
- Such Principal Employers are not required to take a PF Registration Number.
- They can register themselves for this purpose through their TAN.
- This also facilitates bigger Principal Employers to have registrations by each if the DDO who are having the TAN for the Unit to register and add the contractors. So bigger Organisations like Railways will not have any issue since each unit may have a separate TAN.
- No registration number is required since the TAN will be the user id for login post registration.
- Application process is simple and based on TAN and the applicant needs only to know the NIC Classification of its Organisation.
