

## **Rules (Updated for the 2022 season)**

### **SOCIAL DISTANCING**

The Tournament Staff will make every effort to provide a safe environment at every event. We ask that only one of the team members, wearing a mask or buff approaches the trailer for check in (we will have masks available if you need one). We ask for the same during weigh in, one team member wearing a mask or buff to bring the fish to the scales. The other team member can be close just not at the tanks or scales. Those teams that want pictures, will still get pictures.

Again, your safety along with the safety of the tournament staff and the others in attendance is and will always be our #1 priority. Thank you for your cooperation!

### **PARTICIPANTS AND ELIGIBILITY**
