Become a 'CPL – Choice, Passion, Life Champion'

Corporate teams are taking up the team building challenge: what can be done to support those living with a disability to create a life they are passionate about?

Hosted by professional facilitators, the CPL – Choice, Passion, Life Challenge includes interactive, fast-paced simulation exercises and thought-provoking discussions that promote greater teamwork, increased empathy and more open minds.

Your colleagues will get a behind-the-scenes view of how CPL provides the solutions, services and support to help their clients create the life they really want. Whatever their journey is, no matter how far long they are, or how far they have to go, CPL is dedicated to help them grow beyond expectations, seize new opportunities and do amazing things with their lives.

This team building activity will bring your colleagues together to learn about how this charity is with their clients for every step of the journey, from early intervention, to education, personal growth and employment.

Your group will see myths debunked, learn how they can make a difference in the world and their workplace and help CPL with their valuable work to create something special for their clients.
