# Become 'Animal Advocates' with RSPCA Victoria

Corporate teams are taking up the team building challenge: what can be done to end cruelty to animals?

Hosted by professional facilitators, the RSPCA Victoria's 'Animal Advocates' challenge includes interactive fast-paced simulation exercises and thought-provoking discussions that promote teamwork, increase empathy and encourage open minds.

Your colleagues will get a behind-the-scenes view of how RSPCA Victoria works in partnership with the general public, government and industry to prevent cruelty to animals by actively advocating for their care and protection.

This team building activity will bring your colleagues together to learn about this charity, how they protect and rescue animals from cruelty and abuse and what they do to ensure that the standard of animal welfare and care continues to improve.

Your group will learn how they can make a difference in the world and their workplace by drawing parallels from animal welfare to our own well-being, while helping RSPCA Victoria with their valuable work to end cruelty to all animals.
