## Become Surf Life Saving NSW's 'Community Lifesavers'

**Corporate teams are taking up the team building challenge: what can be done to help save more lives along the NSW coastline?**

This is more than just a team building activity. This is a fun, fast-paced, interactive session with prizes to be won, where your people connect on a deeper level and find better ways to work together, whilst helping a charity in the process. Your team will celebrate what it means to be a great Australian, learn how to spot a rip and design their own 'Club House' to champion the ideas of safety and belonging in your workplace community.
