So, how can Team Building with Purpose help you?

Our professionally facilitated team building events are designed to be a lot of fun, to bond teams and to raise awareness. They produce a real feel-good element and a tangible result – commitment to societal behaviour change.

The experience will allow your people to embrace your values and put them into action, benefiting teams, your organisation and your customers whilst at the same time, making a difference in the world.

How specifically does what we offer match your team development needs?

Through three main outcomes...

1. TEAM BUILDING:

Our 2 hour virtual or 3 hour face-to-face team (COVID-Safe) sessions will enable your staff to come together for a period of light relief and participate in individual and group activities that will foster a sense of unity and collaboration, while identifying actions they can take individually and as a team to work better together. We coach them in the moment to get clear learnings linked directly to your team and their needs that they can apply immediately.

2. MAKING A DIFFERENCE:

With a portfolio of different team building events, each developed for a different charity, there are a host of different options of activities, all of which offer meaning and a greater sense of purpose than traditional team building activities. In addition to awareness and the contribution made through the group activities, each session allows us to also contribute financially to the charity - they receive 50% of the net profit from each event (a minimum of \$500 plus GST).

3. BOOSTING STAFF MORALE:

Designed to foster a team and community spirit and cultivate the the principle of giving back, sessions like this greatly boost staff morale by connecting them to their colleagues and providing them a memorable and meaningful moment of time together where they are collectively participating in a fun and engaging event that is helping a charity in need. In doing so, they experience a new level of connection and shared purpose.

What will participants do in the sessions?

We take people on a journey, in small teams, through a series of quizzes, videos, statistics, stories, reflection exercises and team challenges into the world of the charity.

From the beginning, there is a fun level of competition in the room, which results in a small gift for each participant and a prize for the overall winning team that is included in the session cost.

Throughout the session, we coach in the moment to translate learnings from the session into actions that help the team work better together and make a difference in the world.

What can I expect them to take away from the experience?

Increased levels of empathy:

- For people in need, social issues and the charities who help overcome them
- For fellow team mates through increased empathy and deeper personal relationships
- For customers through deeper respect for and understanding of others

A new level of connection:

- By being vulnerable, humble and transparent in sharing opinions, stories and ideas
- By having authentic conversations and about global issues
- By stepping up together to make a difference in the world

Inspiration to make a difference:

- Supporting charities and sharing responsibility for overcoming society's issues
- Taking positive actions – personally, as a team and as an organisation
- Committing to the UN Sustainable Development Goals - a "blueprint to achieve a better and more sustainable future for all".

What are the next steps?

1. **Teams choose a charity (see logos below)** – click this link to see our programs www.teambuildingwithpurpose.com.au/programs
2. **You brief us** - we chat to the manager to find out where the team are at, how they currently work together, what the development areas are and how we can tailor the conversation to their needs.
3. **We run the event** - we run a 2-hour virtual or 3-hour face-to-face (COVID-Safe) session for the team.
4. **We measure results** – we keep track of the learnings, actions and outcomes from the session so that you know our programs are making a difference.

Our charity partners: (more to come shortly)

What does it cost?

Virtual:

10-30 people \$2,500 + GST

Face-to-face:

10-30 people \$2,950 + GST

Up to 50 people \$3,250 + GST

Up to 100 people \$4,500 + GST

Over 100 people Subject to final numbers

- We can run the face-to-face event at your offices or a venue of your choice.
- Note: For events where teams put together hampers or care packs for the charity, there is an additional cost of \$100 per hamper/care pack.
