

To the people of beautiful McIntosh County, GA

My name is Kyle Turner, and I am very proud and blessed to announce that I am running for McIntosh County Commissioner At-Large.

I am a local business owner, husband, proud father of two, a member of the McIntosh County Volunteer Fire Department, as well as a local musician who is committed to building a stronger future for ALL citizens of McIntosh County

– their families – for generations to come.

As a local volunteer firefighter, I believe in service. My goal as County Commissioner is to serve each and every citizen of McIntosh County, to hear all of you, and to work toward making this the best county in the United States of America!

I am not running for my special interests — I am running for you, the taxpaying citizens of McIntosh County!

If elected to this position, as part of putting the taxpaying citizens first, I **PROMISE NOT TO ACCEPT A SALARY FOR THIS POSITION!** Each paycheck I receive for serving in this position, I promise to donate that money back to where it belongs – whether it be our fire department, our schools, our first responders, our Sheriff's Department, or anywhere else where it can be used toward keeping this county safe, keeping you safe, keeping our children safe, and working toward a better and brighter future for everyone for generations to come.

This is my home, this is YOUR home, this is our children's home, and this home is where all of us lay our heads down to rest each night. I would like to play my part in making this county the best, safest, most prosperous county possible. A county that is still thriving for years and decades to come. I will listen to you, I will hear you, I will work for you, and I **WILL FIGHT FOR YOU.**

I vow to:

- Provide FULL transparency.
- Hear YOU, THE PEOPLE of McIntosh County.
- Put locals first.
- Fight for OUR HOME.
- Always make decisions in the best interest of the people of McIntosh County.

Vote for me on May 19, 2026, and let me be the voice for you!

Thank you for your overwhelming support, and I look forward to serving and working with everyone!

-Kyle M. Turner
