

2021 OHIO PLUMBING CODE CLASS

The APHC is offering the following training class. This class have been structured to help your firm meet its training needs while providing quality course instruction. This class is open to both licensed and non-licensed plumbers. CEU credit is available, but license number is required to receive credit. The Ohio Plumbing Code class is designed to give you and your plumbers an opportunity to be updated about and receive clarification on the current code.

The following class will be offered at this time.
