TO: Plumbing/Mechanical/Fire Protection Contractors/Providers:

Our records indicate you have one or more technicians whose BF tester certification expires in 2019 or has expired in 2018. The tester has a one year grace period to recertify if expired but cannot test until recertified.

The APHC Backflow School will be conducting backflow tester recertification classes during the calendar year 2019. Be sure the class you are registering for will be completed before your current certification expires.
