Backflow Technician Certificate Classification

Three classes of Backflow Technician Certificates may be issued by the Division:

- **Class A certified backflow technicians** are authorized to perform installation, testing, or repair of any isolation backflow prevention device in the state.
- **Class B certified backflow technicians** are authorized to perform installation, testing, or repair of any isolation backflow prevention device in the state located within a lawn irrigation process piping system.
- **Class C certified backflow technicians** are authorized to perform installation, testing, or repair of any isolation backflow prevention device in the state that is owned by the public water system.

What Class of Backflow Technician Certificate are you applying for?

- Class A
- Class B
- Class C

Work Experience

List at least five years' experience relevant to backflow technician work, as follows:

- Class A Applicants: Employment with a licensed Plumbing Contractor, Hydronics Contractor, or Fire Protection Company certified by the Ohio State Fire Marshal.
- Class B Applicants: Employment with a Lawn Irrigation Company.
- Class C Applicants: Employment with a Water Purveyor.

If you do not have at least five years' experience as set forth above (or in addition to that provided), you may list other relevant experience related to the performance of backflow technician duties.

You must provide copies of your tax records (i.e., W-2, 1099, Schedule C Form 1040) or other acceptable documentation (i.e., degree certificate, school transcript, certificate of completion) demonstrating at least 5 years' total experience to assist with verification of your experience and education. **Please redact/black-out social security numbers and taxpayer identification numbers.**

When explaining your job duties, please provide sufficient detail to enable the Backflow Advisory Board and the Superintendent to evaluate your qualification for certification as a backflow technician.

Certified Backflow Technician Application Process

- Applicant emails application to the Division of Industrial Compliance or uploads the application to the [Commerce Web Portal](#) and pays a Fifty-dollar Non-refundable application fee [online](#).
- Application is reviewed by the Superintendent's Designee and/or the Backflow Advisory Board and a determination is made on the application.
 - Please Note: The Backflow Advisory Board meets quarterly (March, June, September, and December).
- Decision:
 - Approved: an approval letter will be submitted to the applicant along with a list of training agencies approved for required backflow technician training.
 - More Information Needed: Applicant will be contacted to request additional information if the Superintendent's Designee/Board finds the application fails to provide sufficient information to make a determination.
 - Denied: If the applicant fails to demonstrate sufficient experience to meet the requirements for certification as a backflow technician under Rule [1301:3-7-02](#) of the Ohio Administrative Code, a denial letter will be submitted to the Applicant.
- Backflow Technician Training Course(s)
 - Approved applicants attend one of the authorized backflow technician training courses.
 - Upon successful completion of the course, the applicant will receive a certificate of proficiency from the course administrator.
- Backflow Technician Examination
 - Date:
 - The Backflow Technician Examination is generally given on the 3rd Monday of the month, unless a holiday falls on or is being observed on that day. In which case the examination will be given on the following day. Please visit the [Backflow Tester Exam](#) page of our website for a list of available exam dates.
 - Location:
 - Division of Industrial Compliance
6606 Tussing Rd.
Reynoldsburg, Ohio, 43068-9009
 - Times:
 - Doors will open at 9:30 A.M. with the test beginning at 10:00 A.M. and ending at 12:00 P.M.; or
 - Doors will open at 12:30 P.M. with the test beginning at 1:00 P.M. and ending at 2:00 P.M.
 - Examination Reservations:
 - Please contact the Division at 614-644-2223, option 2 or BCCTrade@com.ohio.gov to reserve an examination date and time.

- Requirements on day of examination:
 - Examinees **MUST** bring the following on the day of the test:
 - Certificate of proficiency
 - Photo identification
- Passage criteria:
 - A score of 70% or higher on the examination is required to pass. Examinees will be notified of the results of the examination by letter.
- Certification Fee:
 - Individuals that pass the examination will receive an invoice for the \$75.00 certification fee. Upon payment of the certification fee, a 3-year Backflow Technician Certificate will be issued to the individual and he or she will also be added to the Backflow database (available online).
