PRESS RELEASE

Signing of Agreement between Global In-house Centre (GIC) of Jonjua Overseas Limited and Jonjua Air Limited in Aviation Sector.

Mohali, October 3, 2025:

This is an update for the Shareholders of the Company.

A Press Release related to signing of an Agreement between Jonjua Overseas Limited and Jonjua Air Limited seeking services of Global In-house Centre (GIC) of Jonjua Overseas Limited in Aviation sector was released on September 30, 2025. This Revised Press Release is in continuation of the Press Release dated September 30, 2025 with additional details.

Jonjua Overseas Limited has set up its Global In-house Centre (GIC) to act as knowledge resource and Idea funnel to give cutting edge to business innovation, esp., in the fields of aviation and aviation engineering/infrastructure. At a time when Companies like Emirates, Lufthansa and American Airlines are setting up Global Capability Centres (GCC) in India, Jonjua Air Limited has taken the lead in the market in India by signing of an Agreement between Jonjua Overseas Limited and Jonjua Air Limited seeking services of Global In-house Centre (GIC) of Jonjua Overseas Limited in Aviation sector. The GIC shall provide inputs regarding crew planning, pricing optimization, route planning, marketing and loyalty program management during the launch of the Air Charter and Air Ambulance services of Jonjua Air Limited from Chandigarh International Airport, Mohali, Punjab. The GIC has strategic understanding of the VTOL/STOL market in the mountainous Himalayan terrain operating from Mohali and a loyal customer base in the region as evidenced by the photograph with happy Shareholders of the Company and their families below returning from a helicopter flight under the Himalayan Panorama Program. The Himalayan Panorama Program of Jonjua Air Limited was conducted under guidance of the Company to test the business model, finance model and market reception of Jonjua Air Limited in Himachal Pradesh with enthusiastic

participation of the Company's Shareholders along with other helicopter travellers in the Region. The Himalayan Panorama Program met its objectives set by Jonjua Air Limited and laid the foundation of future co-operation between the two Companies with GIC of Jonjua Overseas Limited to provide inputs regarding crew planning, pricing optimization, route planning, marketing and loyalty program management during the launch of the Air Charter and Air Ambulance services of Jonjua Air Limited from Chandigarh International Airport, Mohali, Punjab.

Jonjua Air Limited had participated in the tender operations of UDAN 5.1 and successfully submitted bids for 6 routes under the consultation of Jonjua Overseas Limited which had been validated (Refer BSE Announcement by the Company dated August 26, 2023). Route selection involves determining the most efficient paths between two or more locations by considering geographical, meteorological, and regulatory factors. The goal is to identify routes that minimize fuel consumption and maximize passenger and cargo load. It requires specialized aviation knowledge.
