

Three thick, wavy lines in orange, black, and red colors curve across the top half of the page.

**TEAM UP WITH A  
REALTOR TO FIND  
YOUR DREAM HOME**

**You and your REALTOR® can make a great team. But your REALTOR® can't read your mind. Help your REALTOR® find the best options for you by sharing what you're looking for and offering feedback.**

01

# STATE YOUR PRIORITIES.

**Tell your trusted real estate professional about your must-haves, nice-to-haves, and dealbreakers. Your REALTOR® can find available homes with the features that matter to you.**

# DISCUSS YOUR BUDGETARY GUIDELINES.

Your REALTOR® is an expert in the local real estate market and can show you options in your price range. Your REALTOR® may also provide you information about assistance programs that could help you.

# YOU DON'T NEED TO HAVE ALL THE ANSWERS

# 03

Ask your REALTOR® about any aspect of your home search or purchase that you don't understand. But remember: your REALTOR® adheres to a strict Code of Ethics and may not be able to answer some questions, especially ones that involve opinions instead of facts, ones that deal with legal issues, or ones that involve areas outside the expertise of your REALTOR®
