

PHYSICAL-DENTAL-EYE EXAMINATIONS AND IMMUNIZATION

State Law in Illinois requires that all students entering kindergarten or first grade, sixth grade, and athletic participants must have a physical examination and their immunization records up-to-date. It is the responsibility of each parent/guardian to furnish the school with proof of compliance. State law requires all students entering kindergarten, second, and sixth to have a dental exam. Also, the law requires all students entering kindergarten to have an eye exam. This has to be done before the first day of school. Students will not be permitted to attend school until all required records are provided to the school. Below is a list of Required/Recommended Immunizations according to grade level:
