November 25, 2020

Tamaroa School Family:

We hope this letter finds you and yours happy and in good health. We were notified this morning that an individual who works at TGS has tested positive for COVID. This staff member works directly with 1st, 2nd, 5th, and 6th grade students. Unfortunately, this will cause us to go to remote learning until at least Tuesday, December 8. There will be no school Monday, November 30 but we will be contacting parents to line up distribution of student Chromebooks. Remote learning will begin Tuesday, December 1. School lunches will be available for pick up between 11:00 am and 12:00 pm.

When we do return, please do not send your child to school if they or anyone else in the household is not feeling well. It is our hope to have in person school whenever possible but the health and safety of our school community will always come first. You can expect to be contacted by the school on Monday to discuss distribution of Chromebooks. Stay healthy.

If you have any questions please call school at 496-5513.

Brian Brink

Superintendent
