Hispanic: Kermes was successful although it was a hot day. They are going to change the location of the booths next year so that the sun will not shine directly on the booths. They are working on the Day of the Dead. They are also having workshops related to being Lectors and Eucharistic Ministers.

Social Action: The Fulton mission trip was a great success. They were able to distribute lots of supplies. A couple in the Parish are willing to facilitate the financial program by Dave Ramsey. They are working on ways to fund the program for people who cannot afford it. Also working on Christmas programs-the giving tree and sending Christmas cards to shut-ins.

Building and Grounds: There is a new security system being installed-buzzer to gain access to the church office; cameras at many locations and key fobs for any door that keys are given out for. Staff are still learning the new system. Tim Skinner is doing a new set of drawings for the front of the church project. Insurance will pay for the components in the organ that are bad but it has been decided to replace the whole console.

School: The Fall Festival was a success. Holy Name received a \$1,000 grant for school choice. Teachers are updating the crisis management SOP-Standard Operation Procedures. Holy Name and HCS schools participated in a canned food drive and Holy Name won. HCS did a Pep Rally for our students.
