Provided that a regularly organized military escort either of the United States or the State may carry or discharge firearms within the grounds of the cemetery upon advanced permission from the cemetery board.

Each year in the month of October we have a prayer service at the monument and the public is invited. Notice will be in local paper listing day and time.

This is a park style bench that is already in the cemetery twice. The cemetery board has pre-selected five more locations for this style of bench. Each of these benches will be next to a maple tree. The locations are on the north side and west side of cemetery, the maple trees are already planted. The cost of this bench, plaque included is \$2,000.00

Vases are available for the mausoleum crypts and the columbarium niches. The cost of a vase and installation is \$50.00
