Oración de Pascua

Señor, la resurrección de tu hijo nos ha dado vida nueva y una esperanza renovada.

Ayúdanos a vivir como personas nuevas en la búsqueda de convertirnos en un cristiano ideal.

Concédenos la sabiduría para saber lo que debemos de hacer,
la voluntad de querer hacerlo,
el valor para llevarlo a cabo,
la perseverancia para continuar haciéndolo,
y la fuerza para terminarlo de hacer.

Amén

The Light is On

Above: Each Wednesday evening during Lent, a group gathered for “A Light is On” to hear a speaker, enjoy a lite dinner and then gathered in the church for Adoration, Reconciliation & Benediction.

HIGHLIGHT:

“Answering the Call” to Hospitality!!

A small group of ladies believed that there would be people coming to our church with needs that these items could meet. One person brought the basket, another brought items and thus the “expression of welcome & comfort” began. What a beautiful way of welcoming visitors, families and friends!

Challenge: It’s up to ALL of us, see a need and make a difference. Lets make “Answer the Call” a regular highlight in *Voices in the Parish!*

(Send pictures and description to jhagan@holynameparish.net.)

Stewardship of Prayer

PICTURED RIGHT: Our parish celebrated Eucharistic adoration during "The Light is On for You" on Wednesday evenings during Lent. Opportunities to celebrate Eucharistic Adoration are also on the first Friday of each month with Adoration beginning after 7:30am Mass and ending with Benediction at 6:00pm.

PICTURED ABOVE: During a recent trip, Fr Shonis celebrated Mass at **Villa Infantil, A Home for Children** in Jalisco, Mexico. Villa Infantil is run by a small group of Catholic Sisters of the Congregation of Our Lady of Guadalupe and St. Joseph and their small staff with the assistance of volunteers and benefactors. Stewardship of Treasure

PICTURED BELOW: An example of alms-giving, a parishioner takes a tag for the Lenten Giving Tree. The Giving Tree offers parishioners the opportunity to partner with community service organizations to help others. While items may be small, they make a big impact.

Stewardship of Time & Talent

HoUSE System

In August of 2017, Holy Name of Jesus Catholic School launched the HoUSE System. At HNS, every student, faculty, and staff member belong to one of six HoUSES. The goal of the HoUSE System is to provide an opportunity for students and faculty to interact across grade levels (K-8) in healthy competition and support each other as they grow in their Catholic faith. Students will learn to work hard individually for the good of their HoUSE, in addition to working as a team. The HNS HoUSE System encourages teamwork, friendship, service, and leadership. HoUSES compete against each other in the areas of academics, athletics, behavior, school spirit, and community service. Although not involved in the HoUSE System competitions, our littlest Cardinals in preschool and prekindergarten are in the Angel HoUSE. The Angel HoUSE participates in the HoUSE System by beginning to understand teamwork, friendship, and service. These early and fundamental lessons help to prepare them to enter into kindergarten and the bigger HoUSE System.

"The CARDINAL 10"

The Cardinal Ten is a list of ten rules or standards by which Holy Name School Cardinals conduct themselves. All members of the school family: students, faculty, staff, parents, etc. are expected to live by these standards. The standards assist in developing a culture of excellence within our building.

1. We are **Christ-like**.
2. We are **shepherds**.
3. We use our **time, talent, & treasure** for God.
4. We **give respect!** We say **yes ma'am & no sir**; we say **thank you**, & we **speak** when spoken to.
5. We are always **honest**, no matter the circumstances.
6. We surprise others by performing **random acts of kindness**.
7. We **accept responsibility & do not make excuses** for our failures.
8. We **learn** from our mistakes, **correct** them, & **move on**.
9. We are **humble** when we win; we **maintain self-control** when we lose.
10. We **never quit & always finish the race**.

itual, academic, social, and physical education of students to prepare them to assume leadership roles in their chosen fields based on Catholic values. HNS is delighted to be the recipient of a Koch Foundation Grant and we look forward to partnering with the Koch Foundation now and in the future.

“Counting on You”—SVDP

By Paul Fritz

During the season of Lent we hear of almsgiving as part of the preparation for our Easter celebration. The struggle to give what we hold dear may not be easy, but consider the widow in the Gospel who gave only a mite; she gave all she had. Too often we think of almsgiving as strictly money and react negatively as it seems that all you hear is: give to this or give to that. St. Vincent de Paul saw the need of the poor in hunger, clothing for the naked, shelter, illness, and loneliness. The needs today are the same as they were years ago.

Almsgiving for St. Vincent de Paul can take many forms: Donating clothes (Are you really going to use all the clothes in your closet?), buying an extra sack of groceries for the food pantry, monetary gifts for medicine, warmth or shelter. Almsgiving is not only a good preparation for Easter, but for the rest of our lives.

The most precious gift may be sharing time—in service of others. St. Vincent de Paul is a fulfilling way of seeing Christ in those he loved the most—the poor. Consider joining the St. Vincent de Paul Society in helping us help others. Christ is counting on you!

Ecumenical Committee

By Marti Vickers

On January 23, 2018 Holy Name Ecumenical Committee welcomed David Salisbury and his family to tell us about the Church of Christ. 17 members from both churches gathered in the conference room. One of the first things we learned was that he does not have a title such as Reverend or Pastor. His congregation knows him simply as David. The Salisburys have attended a Mass at Holy Name and were amazed at how beautiful the church is. The Stations of the Cross in particular caught their attention. The Church of Christ is very simple by comparison. They do not use musical instruments in their worship services. Everything is sung a cappella.

But not everything is different between our churches. While they do baptize by immersion, they do baptize in the name of the Father, Son and Holy Spirit. While Catholics baptize infants, the Church of Christ baptize only adults. Not at a particular age but at the age of accountability. As in the Catholic Church where the Eucharist is celebrated at each Mass, the Church of Christ offers “The Lord’s Supper” weekly. Many Protestant denominations believe in once saved always saved. Like the Catholic Church, members of the Church of Christ believe that salvation may be lost but can be regained by repentance. Fr.

Shonis asked David and his wife Heather about juggling married life and ministry. David welcomes Heather’s feedback on his sermons since she is a former English teacher. He also asked his children Abby, Darby and Will what it was like to have their father be a pastor. One problem is that their peers expect them to always be super good. But on the plus side they know more about the church and bible than the average kid.

It was a wonderful evening. The Salisburys are a delightful family who love the Lord. I look forward to learning about another denomination in the future.

Vocational Week Guest Speaker Sr. Desiré Anne-Marie Findlay

Sister Desiré Anne-Marie Findlay is a member of the Sisters of Saint Felix (Felician Sisters). She is currently in annual vows and is looking forward to final profession in 2019. Sister Desiré met the Felician Sisters in New Mexico where she grew up and where most of her family resides. She met the Sisters on a 100-mile pilgrimage for vocations while she was still in college. Shortly after graduation she entered the community and has had the opportunity to live in three different states ever since. Currently living in Pennsylvania, Sister Desiré is now actively involved in vocation outreach. She will also be working with elementary and middle school children at an after school program that one of her Sisters began in 2002. Before moving to Pennsylvania, Sister Desiré lived in Southern California where she taught at an all-girl's high school for four years. She taught Spanish I, Theology 12, and Dance. Sister Desiré was an avid dancer before entering community and has now been able to share that gift as a Sister. Not only did she teach ballet and jazz in the high school, but she also had the opportunity to teach dance in Haiti where she lived for a month in the summer of 2016. Dance is also a part of what brought her to the Felician Sisters. While getting to know the community, the Sisters learned that she was dancing for a semi-professional basketball team and asked if she would dance for one of their prayer services. She did, and in doing so she realized that using her gifts for God gave them greater purpose. Sister Desiré now hopes to help others - especially youth and young adults - to find purpose not only in their gifts, but in their lives.
