Company Profile

In 2018 under the name of GRANITO ART BUILDING MATERIALS LLC. Started its journey by selling Building materials and came into being with a clear vision to become a global supplier in the world of Ceramics, Porcelains, Sanitary Wares, Bathroom accessories, Bathroom furniture, Bathtub and Shower Systems.

With our vast resources and huge untapped potential in the market, our products are from and manufactured worldwide in Italy, Spain, Turkey, Portugal and China. We aim to keep making progressive projects in the future and walk on the path of success.

Having access to such a wide range of quality products enables GRANITO ART BUILDING MATERIALS LLC. To compete for any contract project by being able to offer a solution of design aesthetics or budget. From big-budget projects to smaller, every design can be finished to strict specifications while keeping performance and value at the vanguard.

Mission & Vision

Our mission is to revitalize the perception of people about sanitary products by allowing them to see the latter as items of real luxury. Indeed, we have managed to revolutionize the sanitary market by transforming the demand from a necessity into luxurious product. On the other hand, our market strategy and policy have allowed us to develop the sale process in the country and improve the quality of our products and services.
