HOLIDAY GIFT GUIDE

# NOTE FROM SAIVA

SAIVA is a nonprofit connecting seniors and intergenerational communities to volunteer for the greater good. Through weekly activities, we foster social, community, and civic engagement, creating meaningful connections and contributions. We partner with organizations across Austin to host diverse events, promoting well-being, belonging, and fulfillment for South Asian older adults through engagement, education, partnerships, and advocacy.

## Core Programs:

- **Maa-DADA:** Bridging generations through intergenerational volunteering and corporate partnerships.
- **Food for Thought:** Supporting communities with meals and cultural exchange.
- **Weekly Elders Programming:** Social, educational, and empowering gatherings.

This guide honors the many volunteers, donors, and supporters who uplift our mission, from ages 8 to 90. Your contributions make our community stronger!

We're excited to grow together next year. It truly takes a village. Learn more or get involved at [saiva.org](https://saiva.org).

With love,  
Megha and Shikha

We are incredibly grateful for the dedication and leadership of our SAIVA Board Members and their partners. Their unwavering commitment uplifts our vision, passion, and mission, helping shape the direction of our programs. They ensure we stay true to fostering well-being, belonging, and fulfillment for older adults in our community.

Indu Govind, Janani Janakiraman, Samrity Dhawan, Sangeeta Sethi, Shubhada Saxena, Sintra Persad, and Sonali Amodwala.
