

Hello world, Kennedy Sousa here!

I am a unique 9-year-old girl from Barrington, Rhode Island. My friends and family would describe me as having a unique blend of kindness, generosity, and outgoing personality! I am hopeful that these qualities make me a perfect fit for a career in the entertainment industry!

From a very young age, I have had a passion for connecting with people, by spreading joy, positivity, and happiness wherever I go. I feel as though I have always had a natural talent for creativity and performance. Whether it's singing, acting, or simply engaging with an audience, I find myself happiest with the spotlight on.

Thank you for taking the time to get to know me and for considering me as I work to make my dreams a reality!

I am confident my unique combination of kindness, generosity, and outgoing nature will make me a standout talent in the entertainment world.

Your Girl from Little Rhody,
