Prayer- *“Open my eyes to see what’s hindering the answer”*

ACTS 21

1. How does Paul’s decision to go to Jerusalem illustrate his commitment to God’s mission despite the risks?

2. How did James and the elders in Jerusalem counsel Paul to address concerns from Jewish believers about his ministry to the Gentiles (Acts 21:20–24)?

ACTS 22

3. How did Paul use his personal testimony to defend himself before the Jewish crowd (Acts 22:1–21)?

4. Why did the crowd react so violently when Paul mentioned his calling to preach to the Gentiles (Acts 22:21–22)?

ACTS 23

5. What do we learn about Paul’s character and convictions from his bold response to the high priest Ananias (Acts 23:1–5)?

6. How did Paul skillfully use the doctrinal division between the Pharisees and Sadducees to protect himself during the council trial (Acts 23:6–10)?

ACTS 24

7. How did Tertullus attempt to accuse Paul before Governor Felix (Acts 24:1–9), and what rhetorical tactics did he use?

8. In Paul's defense before Felix (Acts 24:10–21), how did he present the gospel while also addressing the legal accusations against him?

9. Why did Felix delay making a judgment about Paul (Acts 24:22–27), and what personal motives might have influenced his decision?

10. What does Acts 24:24–25 reveal about Felix's response to the gospel, and what can we learn about how people sometimes resist conviction?
