

Like everyone else, we have had a challenging year because of covid. Shortages in personnel and products have complicated everything. Product availability is a problem, so because of shortages we don't always have some items on our menu. Shortages vary from week to week, but we are trying to do the best we can. Lack of personnel has caused us to have the store closed. We are working to solve that problem. Our hope is to expand our business hours at the restaurant when markets and some concessions are done. Please check our web page which is crabbymikesbbq.com or our [Facebook](#) page which is [crabbymikesbbq](#) for updates.
