

Intercom Rules & Responsibilities

- 1) You must confirm each visitor's identity prior to granting access.
- 2) You will NOT allow access to a visitor which you do not know personally.
- 3) If you are resident and you have locked yourself out, do not call other residents for access. Please call your own intercom system and provide access through your cell phone.
- 4) Occupants and owners are responsible for any person(s) they grant access to. If damages to the property are caused by your visitor, or they become a safety concern, you will be held liable.
- 5) Only registered occupants will be added to the intercom system.
- 6) All occupants must receive a copy of these Rules & Responsibilities.

To protect your community's safety, security & property, it is imperative that all residents follow the below noted intercom rules & responsibilities. Should you notice these rules not being followed by fellow residents, please ensure you notify the 20|20 Management Team with your concerns. Our contact information is noted below.
