

“CULTIVA is committed to providing high quality services with total customer satisfaction”

Government Customers	About CULTIVA Solutions, LLC		
       	<p>CULTIVA Solutions is a premier professional services firm specializing in providing Human Resources, Technical and Engineering, Environmental Services, Information Management, and Program Management Support Services to our government and commercial clients. Our success hinges on three key factors:</p> <ul style="list-style-type: none"> ✓ Intense Customer Focus: nothing is more important than the satisfaction of our customers, and we work hard every day to assure that we meet and exceed our customers’ requirements ✓ People-Centric Attitude: People are our biggest asset, and the core of what we do. We have developed systems and processes to screen, recruit, and retain high-caliber individuals that are driven and share our sense of values ✓ Process Driven Approach: We believe in process design and continuous improvement. We are an ISO 9000-2015 registered company with several individuals and leaders in the company with PMI and ITIL certifications. We leverage best practices from these and other (e.g. CMMi) international standards every day in the development and delivery of services to our customers 		
<p>CULTIVA Solutions is a mature Small Disadvantaged Business (SDB) that located in a HUBZone and is ISO 9000-2015 registered. Our financial system is fully DCAA compliant. Our corporate headquarters are located just outside of Washington, DC in Leesburg, VA with operations in multiple states outside the local region.</p>
