

5 Things Gratitude Tool

Faithfully Growing

The Do Anywhere "Gratitude Exercise!"

BACKGROUND: There have been many studies that have proven that gratitude makes us happier and healthier. Like any emotion, gratitude can't be forced but we CAN cultivate our thoughts so that gratitude is more likely to arise. *Practicing* gratitude helps create a HABIT where we focus on the positive in life.

Here's how to use this "5 Things" Gratitude Tool:

This tool can be done at any time, anywhere! Create a habit where you do it regularly eg. on waking up, before you go to sleep, on the subway home PLUS whenever you're having a challenging day!

- Print this page out or fill it out on your computer. (**Tip:** Spread the gratitude by printing a few copies & giving to friends/co-workers!)
- Now think of **just 5** things to be genuinely thankful or grateful for and write them on the hand below. Can't think of 5? Look around you and think smaller and smaller until you *can* come up with 5 things.
- Now you know how to do this, the easiest and most environmentally friendly option is just to count on your fingers! To wrap-up, ask yourself, "How can I make this a regular habit?"

"Happiness cannot be traveled to, owned, earned, worn or consumed. Happiness is the spiritual experience of living every minute with love, grace, and gratitude." Denis Waitley
