

Bioville, 2024

Vacaville California

APRIL 24-26, 2024 | CAREER FAIR | MOVIE NIGHT | FACILITY TOURS

SPONSOR LEVELS:

BioVille celebrates the biotechnology and biomanufacturing community in Vacaville. BioVille encourages everyone, young and old, to learn more about the science that makes them genetically unique through events open to the community. Join us as you venture into BioVille and explore biotechnology in the region while also recognizing National DNA Day. BioVille activities are planned for the community April 24-26, 2024.
