free facial add-on

Kick your facial up a notch with a FREE glycolic booster mixed into your treatment mask. This 40% gel exfoliator will increase the intensity and productivity of the chosen treatment mask. No downtime or impact on daily activities involved. Available for free in any facial except pregnancy, barrier repair, or spring fling.

Discounted Single-Service

Start preparing for those t-shirts and tank tops with a discounted wax service! Underarm waxing is typically one to two quick pulls of wax and then tweezing any stubborn hairs. Regrowth is typically slower and softer, especially if you repeat the wax every few weeks. Give it a shot!
