Bad weather is just around the corner and our first snow day in the winter months of 2025 was the first week of December!

Remember if Centerburg Local Schools OR....Knox County Career Center close due to weather SO DO WE!!! We all don't live on a clean Main St in town. We have a lot of back country roads in our service area. These roads take a lot longer to get cleared for a safe drive in for clients AND staff.

NEW ---This year, we will follow delays for Centerburg and Mt Vernon/Career Center. The change is our delays will be a 2 hr delay. (Centerburg only does 1 hr due to their need for a certain number of hours for kids in school and only running one bus route).

Center would open at 10am. It really won't affect any of our daily activities. Last year we ran into some issues when Amy is trying to leave to drive to KCH in the morning, roads in Mt Vernon were not very safe for her yet. We need to allow more time for the delays because of the amount of travel she has first thing in the morning. We have clients in Milford (that have Mt Vernon addresses) coming in as all. The 2hr delay will help all of us.
