Greetings MMCC Members,

Lots of things heating in your Mid Missouri Corvette Club. Our new officers are busy modernizing our processes, website, road tours and the fun is back. Please make sure you are on board at our website this will soon be the main hub of information in which we will maintain, to always have you up to date. Newsletters, Ambassadors reports etc. We owe a hearty “THANKS” to our talented VP Russ Gibson. Hopefully no one will ever miss an Ambassador Report and you can even go back to older edition. Going forward we will be on the website vs email. If you have any problems, please let us know. There is also a MEMBERS ONLY section to help us secure and protect your information. BELOW IS YOUR MUSEUM.

When you think Museum does something like this pop into your head?

Well hang on, your museum has much more, A manufacturing plant building dream cars you can tour, kids with computers designing their future rides, adults receiving their dream cars on the Corvette Blvd. push of a button and roaring out for the excitement. Even small kids getting deliveries, events, and even a racetrack for the ultimate adrenaline rush.

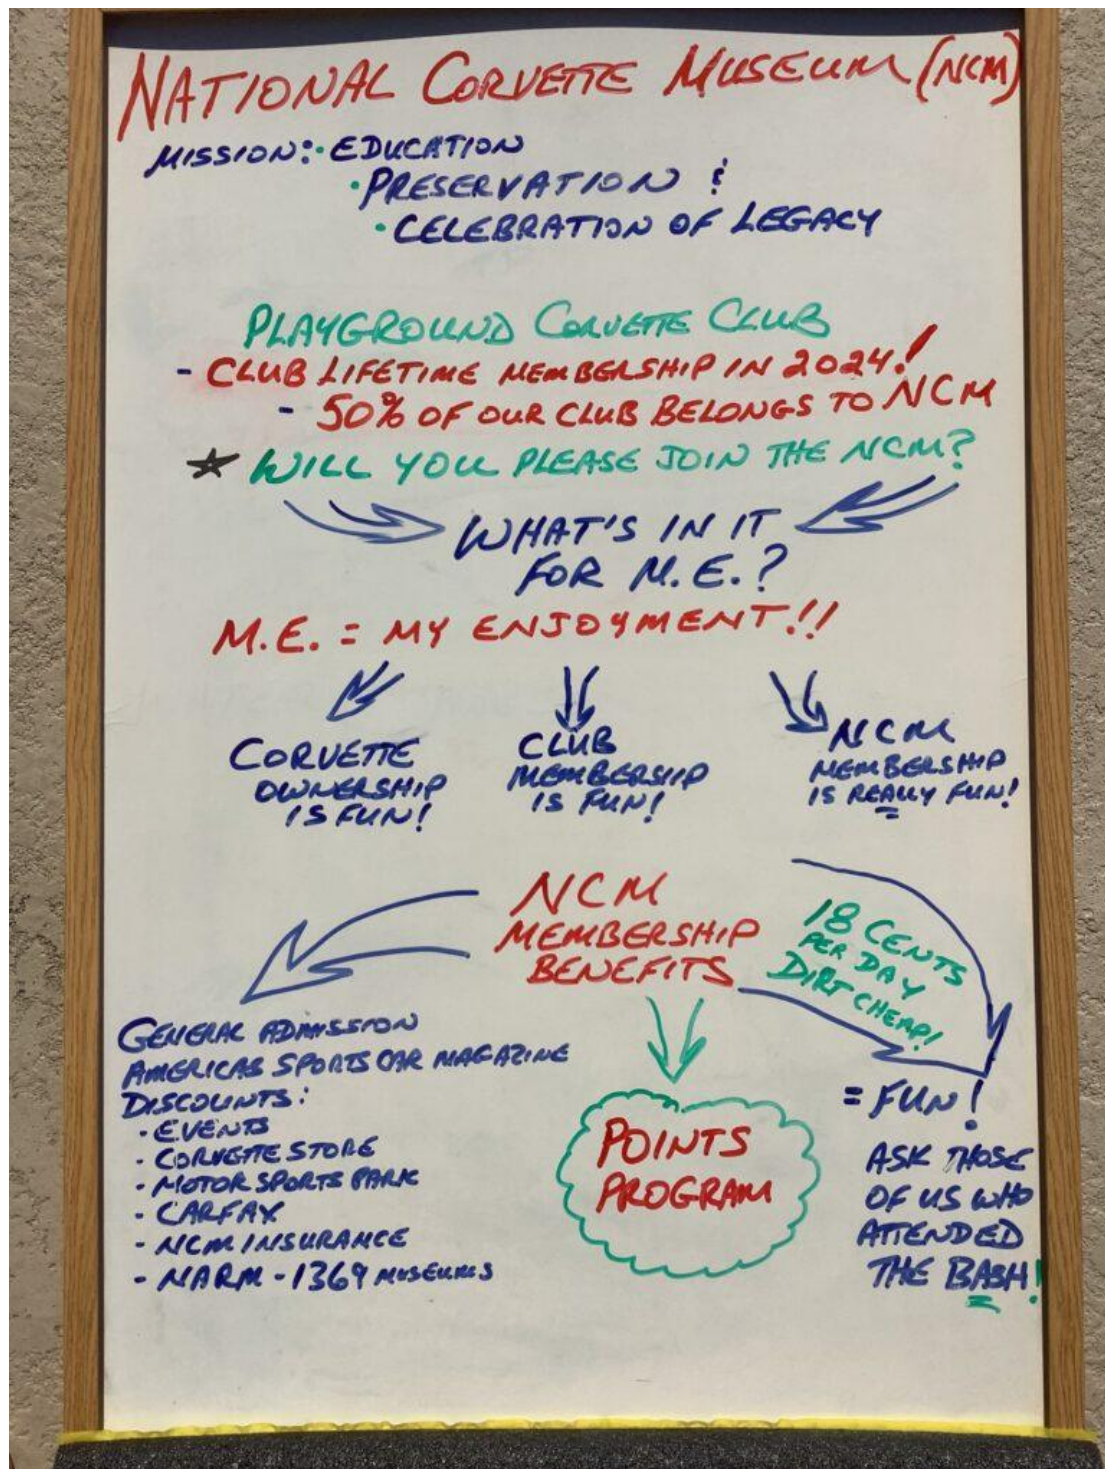

Whoa let's pull back on the reins a little. Yes, things have changed a bit from the olden days. However, NCM just like our Corvette Club respects the history and legacy of those before us while still allowing the change of the times.

The mission of the NCM is to educate worldwide audiences on the evolution of the Corvette-America's Sports Car-through collection, preservation, and celebration of its legacy.
