Presidents Message

Congratulations!

We made through another year and an amazing CUP! I want to thank all that came and worked the cup this year! You were noticed and appreciated. We are working on final numbers and will have them at our next meeting.

We will be sending out RSVP requests in a week for our next meeting, also we will be sending out bylaws for everyone to look at. Officers have made a few changes to the by laws, 1 to change term limits for all positions to 2 year terms and that we will have elections on odd years. It has been felt that whoever is in office can better serve our club in two year stints. It takes a year to get everything in order usually and by the time it's done they are handed over to the next and it's a fiasco trying to get things figured out.

We will be putting names in the hat for next round of officers and the vote will take place the next month in June at the Mallory's. If you're interested let the club know and we can put you on the ballot. I do plan to run again as most of the officers plan to do as well. As for VP Russell Gibson has put his name in the hat and I feel he will be a great asset for the club.

Look forward to seeing everyone next meeting!

Sincerely,
Chris Duncan
