FOR IMMEDIATE RELEASE

Nuneaton to Host Prestigious Inter-County Bowls Event

The road to national glory begins this May as bowlers from every corner of the country come together to represent their counties in the hotly contested Inter-County Performance Events, and Nuneaton Bowling Club is proud to play host.

Nuneaton Bowling Club will welcome some of the best talent in the region on 31st May 2025, as part of the early stages of the Amy Rose Bowl a prestigious competition for the women's under 24's that will showcase the very best of English bowls.

From defending champions to hungry challengers, the stage is set for an exciting series of regional showdowns. Whether you're a player, a passionate supporter, or simply looking to see some top-class action, this is your opportunity to support your county and be part of the journey.

Spectators are welcome and encouraged to attend to enjoy what promises to be a thrilling day of high-level competition and county pride.

The Inter-County Performance Events are more than just a steppingstone to the Aviva National Bowls Finals at Royal Leamington Spa this August, they are a key part of the Bowls England Player Pathway program. Formats on display align with international bowls, and newly appointed Area and Para Scouts will be present to observe players in action and report to the International Team Managers.

Eight teams will progress from these regional rounds to the final stages, which take place during the Aviva National Bowls Finals in August, the pinnacle of the domestic bowls calendar.

Steve Smith the Clubs Secretary explained "We're delighted to be hosting this year's Inter-County event. It's a brilliant opportunity for our club and the local community to experience top-class bowls and support their county".
