

Peter Pan, Jr. CAST LIST

What a great group of talented actors we have! I will explain how all the characters break down for performances when we get started. Everyone will be in every show. Some will play two characters in every performance, and some will switch out with their doubles. All actors have lines and most have solo lines in songs. You will all be very busy. First rehearsal is January 3 at 3:00. Schedule says 6:30... but who wants to rehearse on a Saturday night? We will issue a more detailed rehearsal schedule by January 3. Everyone is called the first day. We will have a parent meeting at that time. Congratulations! Can't wait to get started. Have a wonderful holiday season, Merry Christmas and Happy New Year.
