Upon the 3rd write up the resident will be asked to leave the program. Examples of immediate **termination** from the program include the use of drugs or alcohol, failing to pay program fee or arrange a payment plan if needed, stealing, violence towards self, another peer, or staff, putting the house or other residents in immediate danger or new criminal charges. If a resident has any of the above offenses the 3-strike rule does not apply, and they will be asked to leave the program immediately. This is for the safety of all the residents, and staff.
- 35. Second Chances:** Residents who have been asked to leave the Mankato Recovery Housing for any reason may apply to re-enter the program after a period of 30 days.
