When Love Hurts Something is Wrong

What is Domestic Violence and what does God say about it.
Are you angry with God for not answering your prayers?

RELATIONSHIPS

As human beings, we are created for relationships from the moment of conception. From the moment of our birth we form connections with other people for survival, nurture, and physical/emotional growth and well-being. When these basic connections do not work properly, a life-long struggle ensues, leaving a person frustrated, angry and most of all unhappy with hardly any understanding of what went wrong or what needs to be changed in themselves or in their relationships with other. Fortunately, our services focus on some of these relational struggles that are often a result of unhealthy family dynamics.

We service Men, Women, Teenagers. Our support groups are weekly, structured, supporting, confidential and safe. Experience God's Power in breaking the cycle of abuse.

Dear Children,
let us not love
with words or
speech but with
actions and in
truth 1 Jo 3:18
