Dear Community Member

The Gardner Domestic Violence Task Force is currently seeking sponsorships for its first Annual Purple Paws Walk/Event. The event will be held in April 2023, in Gardner MA, and all funds raised by this event will go directly to support the Purple Paws Foster Project. This pet fostering project was created to help support victims of domestic violence by assisting them and their pets, who would otherwise be left behind when the victim decides to leave their abuser. In many cases pets are the reason victims delay leaving their abusers, keeping themselves in often dangerous situations. Pets are like a family member, and it's difficult to leave them behind! This carries the same emotion. The Purple Paws Foster Project enables those looking for refuge to leave and know their pets are safe.

Voices of Truth has taken on this project as a 501c3 organization who services victims and survivors through support groups and referrals.

We would graciously accept any level of sponsorship to support this event and project. There are four levels to choose from, in which you will get public recognition.

- \$50 Yorkie Sponsor (social media)
- \$100 Cocker Spaniel Sponsor (social media, newspaper)
- \$250 German Shepherd Sponsor (social media, newspaper, radio station, small logo on the banner at the event)
- \$500 English Mastiff Sponsor (social media, newspaper, radio station, large logo on the banner at the event)

Please make checks payable to Voices of Truth and note the Purple Paws Foster Project and the level of sponsorship.
