Dear Community Member

Date
1 Nov2022

The Gardner Domestic Violence Task Force is currently seeking sponsorships for its first Annual Purple Paws Walk event. The event will be held in April 2023, in Gardner MA, and all funds raised by this event will go directly to support the Purple Paws Pet Project. This pet fostering project was created to help support victims of domestic violence by assisting them and their pets, who would otherwise be left behind when the victim decides to leave their abuser. In many cases pets are the reason victims delay leaving their abusers, keeping themselves in often dangerous situations. Pets are like a family member, and who would leave a child behind! This carries the same emotion. The Purple Paws Pet Project enables those looking for refuge to leave and know their pets are safe.

Voices of Truth has taken on this project as a 501c3 organization who services victims and survivors through support groups and referrals.

We would graciously accept any level of sponsorship to support this event and project. There are four levels to choose from:

- \$50 Yorkie Sponsor
- \$100 Cocker Spaniel Sponsor
- \$250 German Shepherd Sponsor
- \$500 English Mastiff Sponsor

Please make checks payable to Voices of Truth and note the Purple Paws Pet Project and the level of sponsorship.

Regards.

Bernice Richard
