

LAY OUT YOUR DESIGN.

YOU'LL NEED A JUMP RING FOR EACH CHARM, TWO JUMP RINGS FOR THE ENDS OF THE CHAIN AND ONE CLASP!

WE SUGGEST GOING WITH THE HEAVIEST PIECE IN THE CENTER.

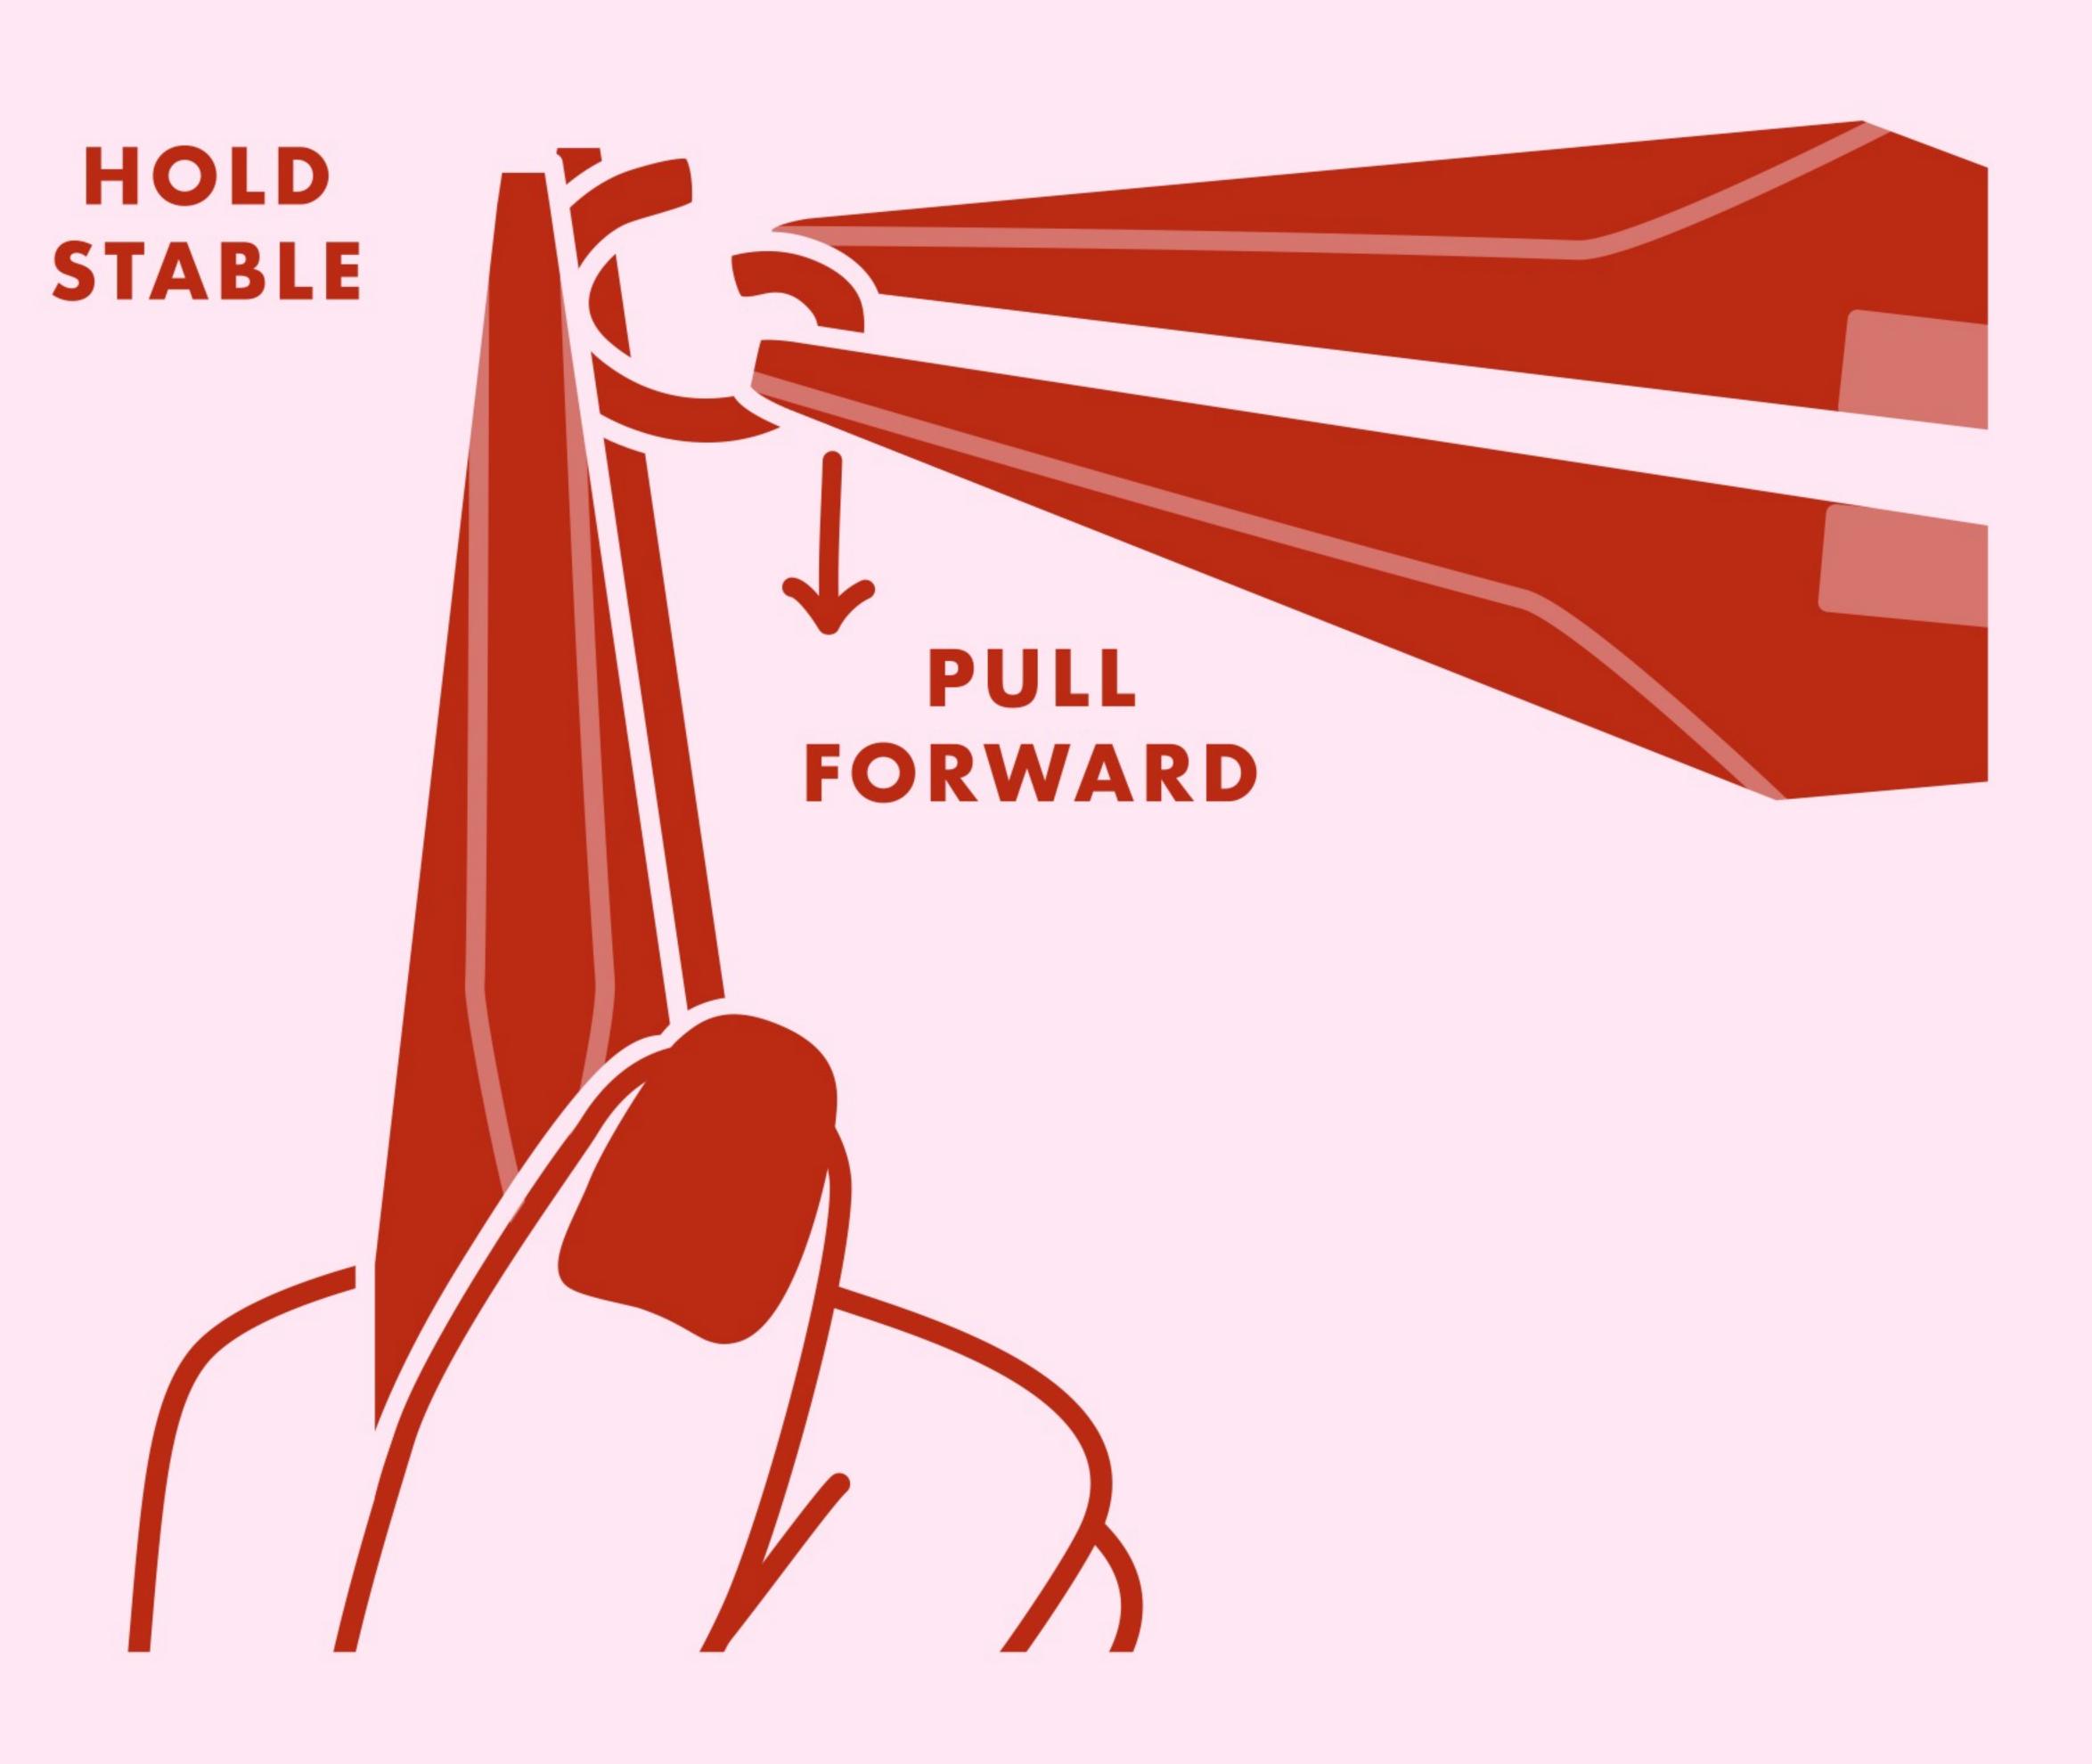

FOR NECKLACES, KEEP THE CHARMS LOWER ON THE CHAIN SO THAT WHEN YOU WEAR IT. THE CHARMS ALL SHOW IN THE FRONT!

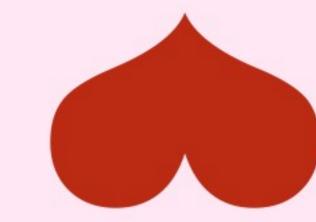

HOLD ONE PLIER
VERTICALLY TO HOLD
HALF OF THE JUMP RING
IN PLACE,

USE THE OTHER PLIER
TO PULL THE OTHER HALF
FORWARD TO OPEN.

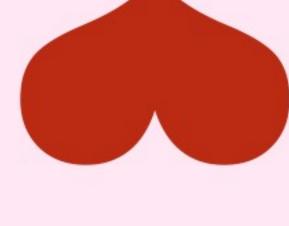

FOR NECKLACES, START WITH YOUR CENTER CHARM TO ENSURE PROPER SPACING!

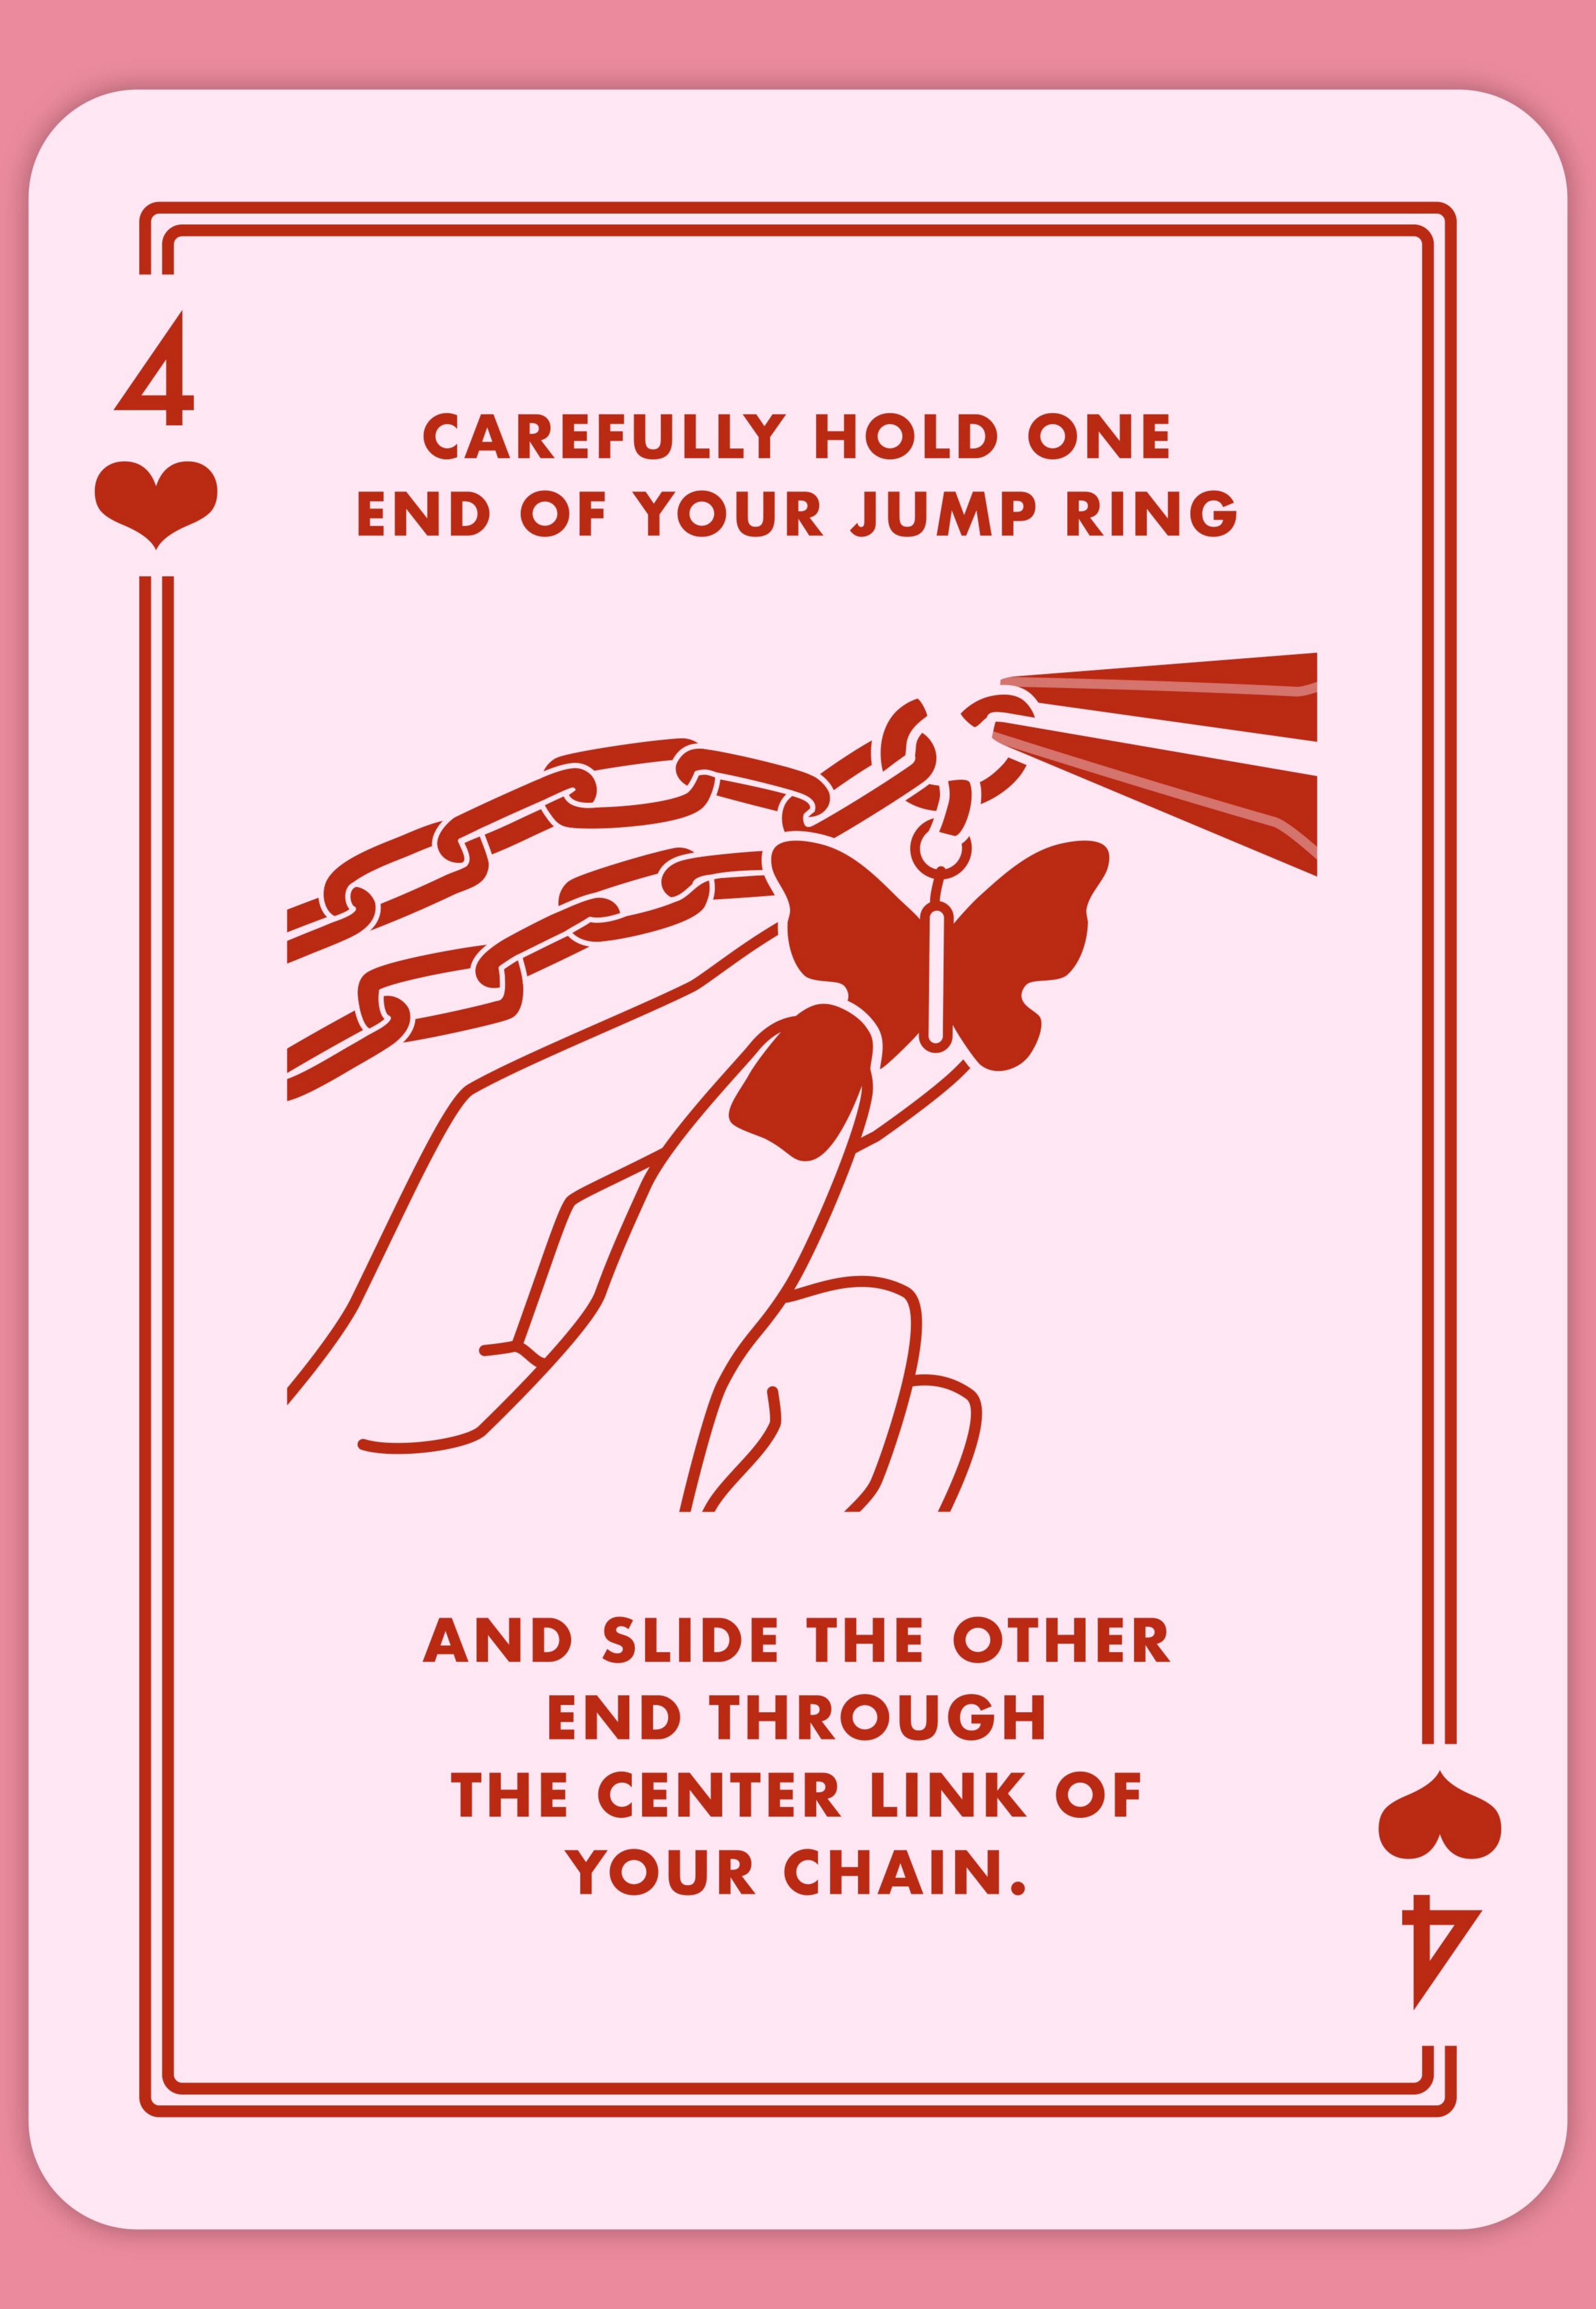

FOR BRACELETS, YOU CAN START ON ONE END OR IN THE CENTER!

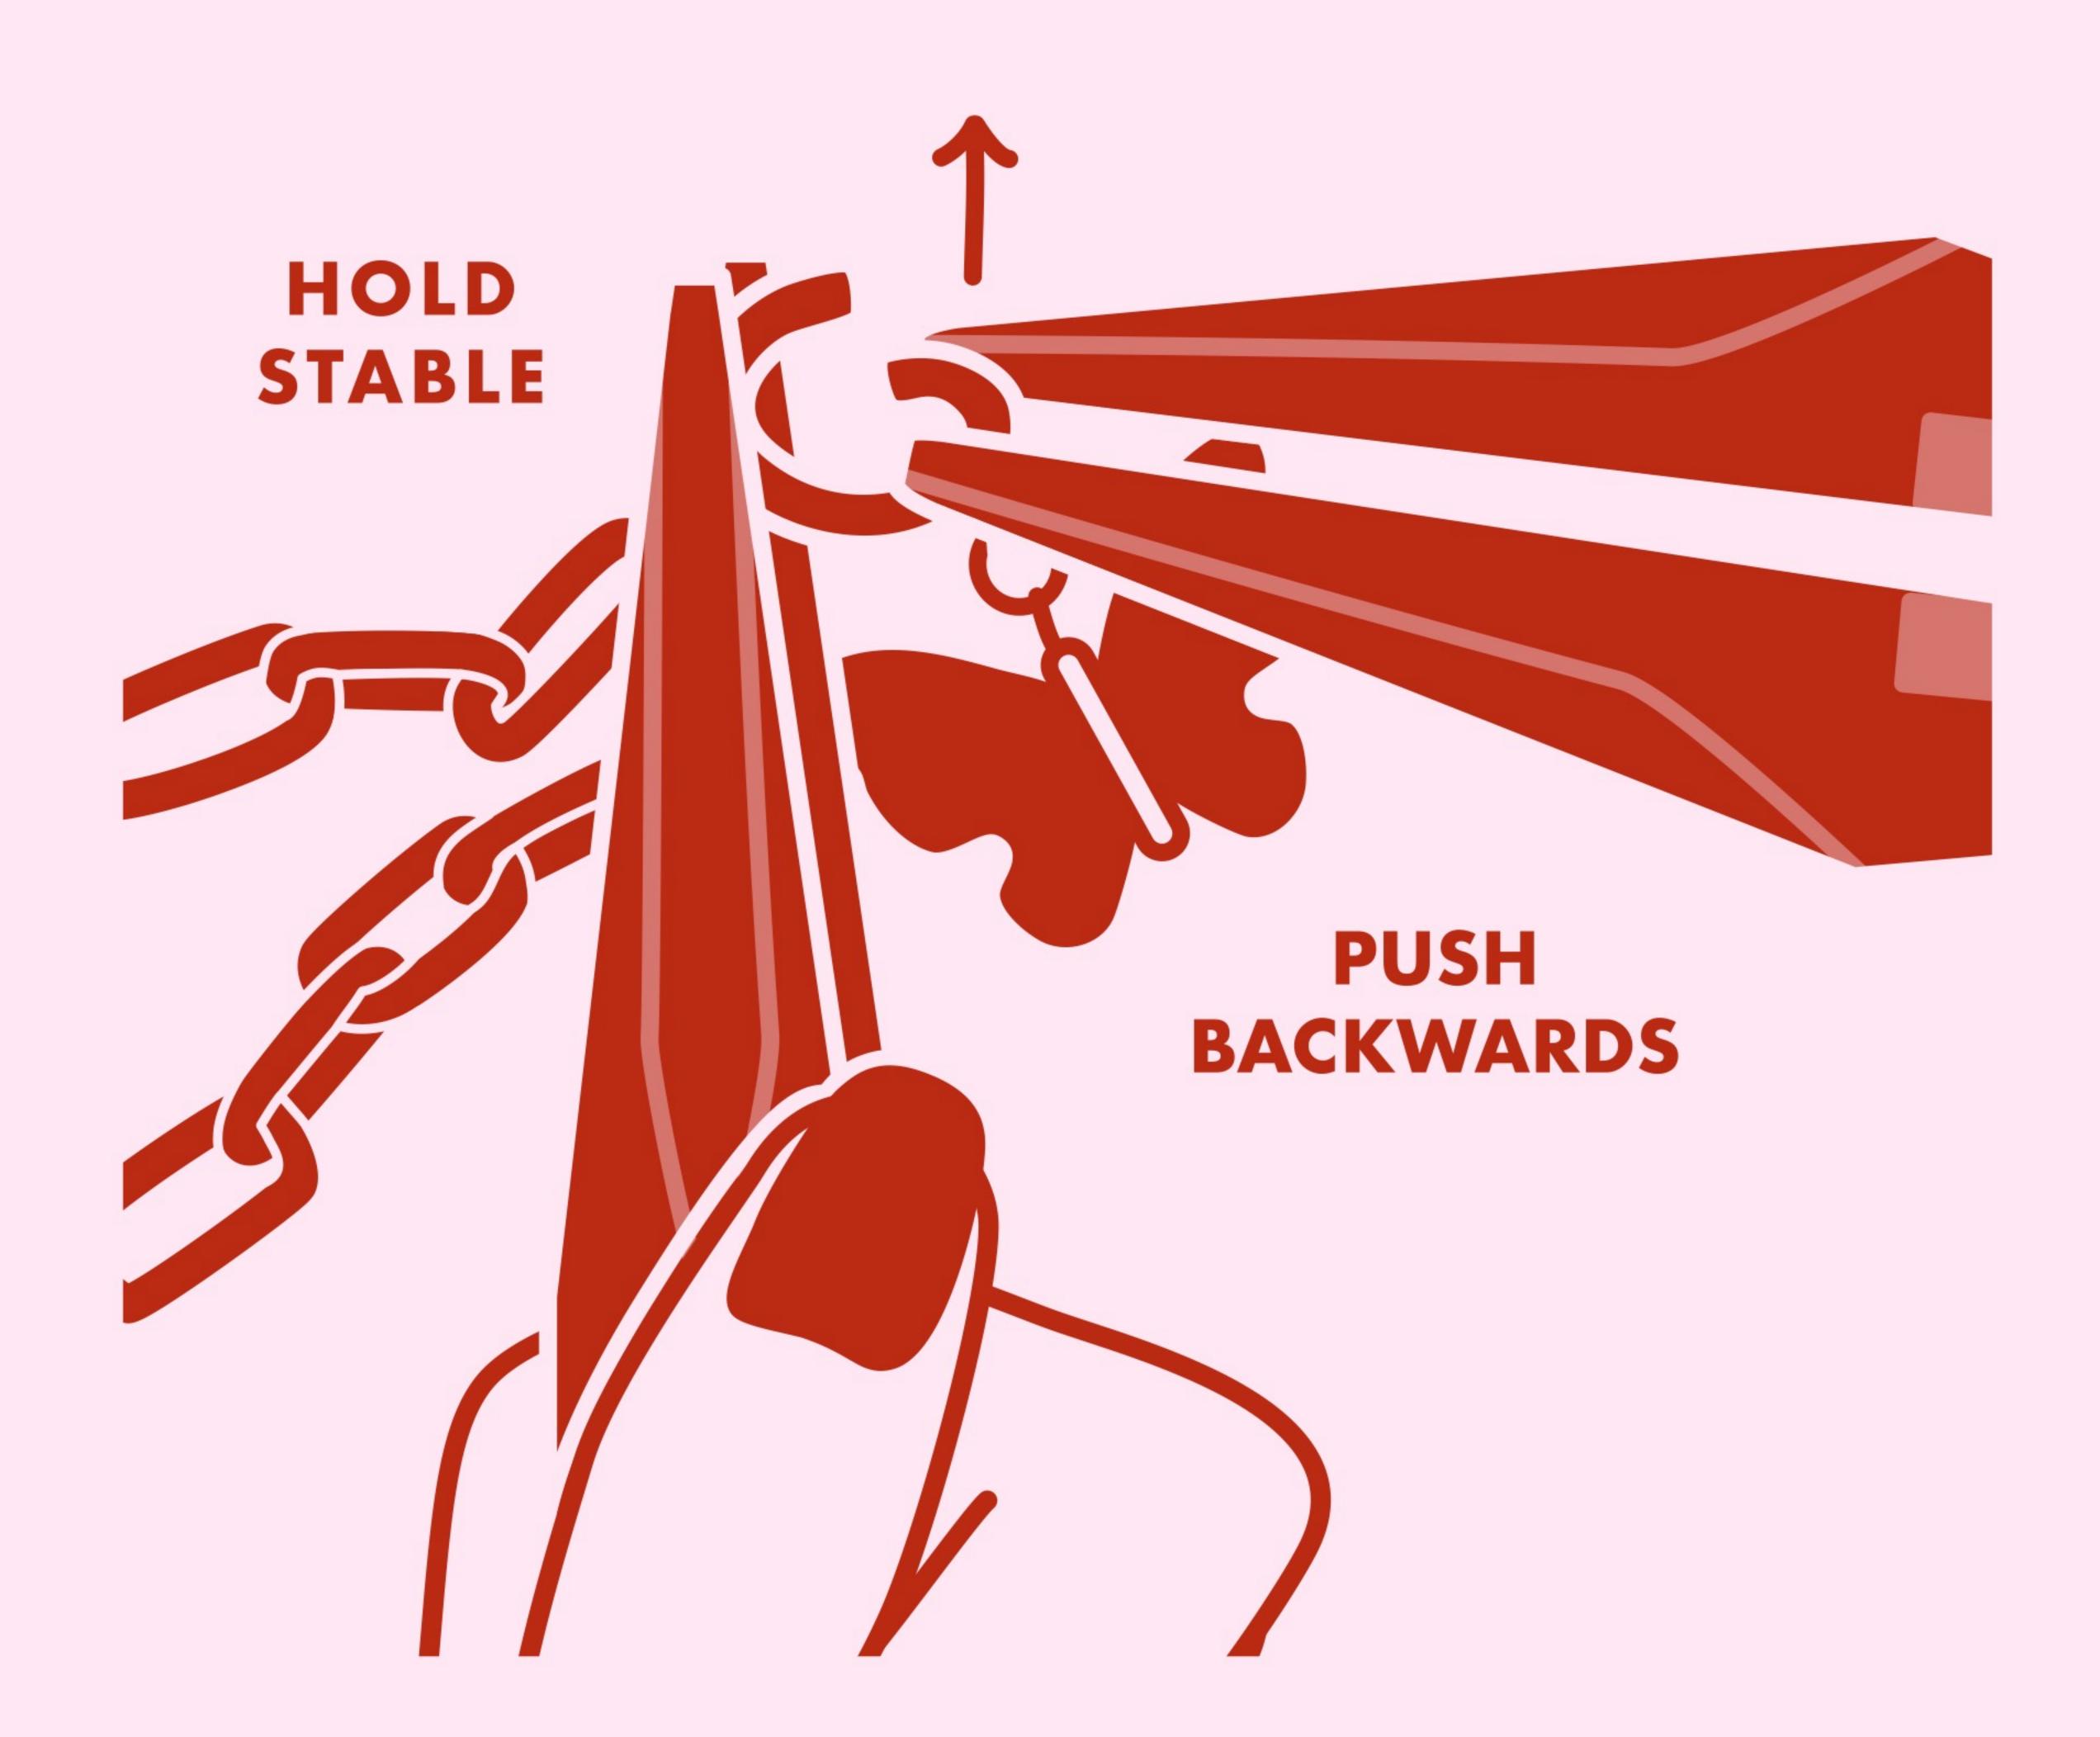

CLAMP THE BOTTOM OF THE JUMP RING AND SLIDE ONE END THROUGH THE HOLE IN YOUR CHARM.

HOLD ONTO YOUR CHAIN AND THE BOTTOM OF THE JUMP RING.

PUSH THE RIGHT SIDE OF THE JUMP RING BACKWARDS TO CLOSE THE JUMP RING.

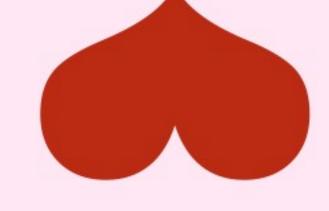

+ REPEAT FOR THE REST OF YOUR CHARMS!

+ SOME PEOPLE FIND IT HELPFUL TO COUNT THE LINKS BETWEEN THE CHARMS SO THAT THE CHARMS ARE SPACED OUT EVENLY.

FINAL TIPS/REMINDERS:

HEAVIER CHARMS LOOK GREAT IN THE CENTER!

WHEN IN DOUBT, USE A LARGER SIZE JUMP RING!

START WITH THE CENTER CHARM TO ENSURE THAT WHEN YOU WEAR YOUR NECKLACE, EVERYTHING IS CENTERED.
