

Gold – Log Book Record Sheet

Name: _____

Age: _____

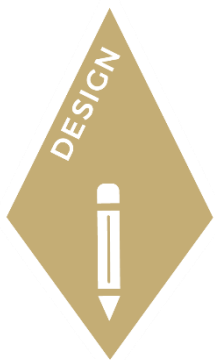

Original design (include an image from software such as OpenRocket, RockSim)

One Stage:

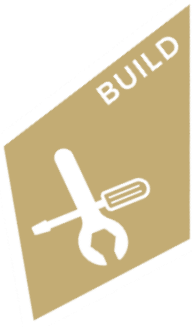

Original design (include an image from software such as OpenRocket, RockSim)

One Stage:

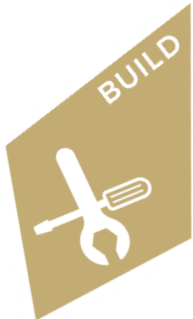

Original design (include an image from software such as OpenRocket, RockSim)

Two Stage:

Evidence one high power (UKRA Level 1 equivalent) rocket model equipped with an Electronics or Avionics Bay and dual deployment capabilities OR 2 high power (UKRA Level 2 equivalent) rocket models without additional modifications.

Additional high power model without additional modifications.

FLIGHT LOG

Launch date: _____ Launch location: _____

Rocket Name: _____

Motor or launch system: _____

Estimated altitude: _____

Recovery system (e.g. parachute, streamer): _____

Comments about performance of rocket when launched:

What could be improved:

R.S.O. or Adult Signature: _____

FLIGHT LOG

Launch date: _____ Launch location: _____

Rocket Name: _____

Motor or launch system: _____

Estimated altitude: _____

Recovery system (e.g. parachute, streamer): _____

Comments about performance of rocket when launched:

What could be improved:

R.S.O. or Adult Signature: _____
