HOW TO ORDER SPECIALTY BOOKCASES

In ordering a bookcase with doors, place door designation (D) after the bookcase item number and before the finish designation.

In ordering a flush cut bookcase with doors, place flush cut designation (FL/FR/FB) after the door designation (D) and before the finish designation.

NATURAL FINISH

White birch plywood backs blend well with our selection of stain colors, yet we don't recommend the natural finish because it can vary more noticeably with alder.
