## Advanced Motion II Base

Pamper yourself and enhance the functionality of your mattress with Beautyrest's versatile Advanced Motion adjustable base. Engage the Zero-Gravity preset for a calming, weightless feel that helps ease pressure points. A wireless remote easily raises and lowers the head and foot of the mattress so you can find the perfect position, while a preset One-Touch Flat button quickly and conveniently returns the mattress to a flat position. Charging your devices in bed is even more convenient with USB A & C ports. With 4-in-1 adjustable legs that help ensure the perfect height for your existing furniture, this easy-to-assemble base is a stylish charcoal color to complement your decor. Now sleeping, relaxing, or working from bed can be a luxurious experience.
