USA ★

Best Home Furnishings was founded in 1962 in the heart of America.

Established in furniture rich Southern Indiana, with a strong furniture background, this heritage is very much evident today. Nearly 1,000 Best employees take pride in their relentless work ethic, attention to detail, and doing their job the right way, the first time.

Quality ★

Cutting corners doesn't cut it.

Best Home Furnishings formula for success starts with the highest quality materials and meticulous craftsmanship. While this approach requires a little more effort, the benefits are obvious. Pair our QUALITY standards with one of the best warranties in the industry and no one compares.

Value +

"Build the best quality product, at the most affordable price."

A simple, yet powerful philosophy is the foundation from which Best Home Furnishings was built. Our legendary quality standards are just as evident today as they were over 55 years ago. Close relationships with vendors and tight, efficient manufacturing processes allow us to remain very price competitive. We are the value leader.

Selection ★

Today's customer wants to be trendy, yet unique.

SELECTION is now and has always been a key focus for Best Home Furnishings. We offer thousands of style, cover, and finish combinations to meet the desire of today's buyers. With many competitors offering a handful of products in select covers, selling Best opens you up to a whole new world of SELECTION.

Speed ⚡

Program vs. Company

A lot of suppliers tout their quick-ship programs which feature several products in an array of fabrics, all available in several weeks or less. At Best Home Furnishings, thousands of style, cover, and finish combinations are produced in days, not weeks; one of the industry's fastest turnaround times. Depending on where your store is located, you may receive your shipment in less than two weeks!
