Apollo Recliner

Because You Deserve the Coziest

Sure, there are other recliners out there, but after inventing the first one almost 100 years ago, we've learned how to build the best.

PERSONALIZED POSITIONS

Back and legrest adjust independently for preference and activity.

UNPARALLELED COMFORT

Top-quality seat and back cushions support your natural curvature.

WEAR-TESTED MATERIALS

Fabrics and leathers are made and tested to resist wear and fading.

EASY CUSTOMIZATION

Power, cushion, and detail upgrades create your own unique design.

STRENGTH AND DURABILITY

From frames to foam, our quality and comfort is handcrafted to last.

SAFETY AND SUPPORT

3-position locking legrest provides safety, support and peace of mind.

Five-Star Comfort for Company

Summer sleepovers may come to an end, but every season has a reason for overnight guests.

From roomy chairs to spacious sofas, twin-sized mattresses to comfy queens, our stylish sleeper collection can transform just about any space into a five-star retreat.

Gone are the days of uncomfortable pull-outs!

With luxurious padding and innersprings, or air top and memory foam upgrades, you'll always be ready for company...but they may never want to leave.

LOVE IT!
This loveseat complements
my couch. Love the console.
Love how comfortable it is.
It's my most favorite ever!

What's Your Game Plan?

Whether you're cheering on your team or simply kicking back, it's easy to score what you need with so many reclining options.

Everyone can have VIP seating with reclining loveseats, sofas, and sectional pieces.

Many styles come standard with ComfortCore® cushions, storage console, device charger, and even a snack tray.

Eat and drink your favorite concessions stress-free with iClean™ fabric or leather, which repels spills before they stain.

Grab a great nap at halftime, or anytime, with adjustable headrest, lumbar, heat, massage, and the ability to rock.

Trends Worth Falling For

Move over pumpkin spice, there's a new trend in town: Blues and Greens! Adding a fresh, organic touch to your warm coziness, these hues combine beautifully to create a calm-yet-invigorating vibe.

While the blue and green pairing isn't new, balancing them with neutrals brings a crisp, clean update that's both functional and timeless — bound to stay on-trend for years.

Add Cozy Fall Finishing Touches

Once you find your favorite pieces, how do you complete the cozy fall vibe? Style your space like you would yourself: lots of comfy layers!

COLORS

Designer Tip: Start with a 3-color palette, and accessorizing is as easy as (pumpkin) pie.

TEXTURES

It's sweater weather! Chunky knit pillows with pops of color easily update your space.

COMBOS

Mix rich woods with crisp, clean accents for an interesting contrast of warm and cool.

DETAILS

A shout-out to fall can be a whisper with delicate touches of candles and greenery.

COZINESS

Like a scarf and jeans with your favorite jacket, throws and rugs soften the look just right.
