PREMIUM STANDARDS

Uplifting Comfort recliners are designed to stay comfortable all day, all night, and for years to come. Inside and out, every recliner is built to industry-leading construction standards and put through a rigorous quality inspection. They have the durability customers have come to expect from Best Home Furnishings, and the comfort that can only come from over 60 years perfecting the art of better seating.

- Kiln-dried hardwood frame parts.
- Joints that are doweled, screwed, glued, stapled and corner blocked.
- A durable steel base and cross supports.
- Deep penetrating truss plates at stress points.
- Heat-tempered no sag seat springs for durability and squeak-free movement.

OUT OF THIS WORLD FEATURES

Some bells and whistles come standard on your lift recliner while other offers are a custom add-on. Look for the accompanying symbols below throughout the brochure to see availability by model.

Power Tilt Headrest

Takes relaxation to the next level by supporting you where you need it most at the push of a button.

Performa-Weave®

An innovative seat cushion material exclusive to Best that provides spring-like comfort, lasts longer and stays cooler.

Heat / Massage

At the push of the button, your lift recliner warms and massages your tired muscles for the ultimate relaxation after a long day.

SOLO COMFORT

The Solo Comfort lift recliners combine supportive relaxation with a gentle lift assist. Like all Best lift recliners, our Solo Comfort series has been rigorously tested to stand up to daily use for many years.

LUNA SYSTEM

All Tri Comfort lift recliners utilize our unique Luna System which allows the seat box to raise and lower relieving tension and promoting overall body wellness with positions like Zero Gravity, Trendelenburg, and Lay Flat.

Experience the health benefits of weightless-like comfort with an easy to use, pre-programmed remote. Our ergonomic remotes are dialed in to hit the precise angles needed to reap the benefits from these healing positions. If you want further control of your comfort, our remotes allow you to fine tune the back, kickout, headrest, and seat box separately. As an added bonus, a convenient USB charging port is included at the tip of the wand.
