See how La-Z-Boy furniture looks in your own home

![La-Z-Boy AR logo]

It's easy to get started

- Download La-Z-Boy AR from the App Store
  System Requirements: iPhone 6S or newer, iOS 11 or newer
- Follow the brief tutorial

Design your space at the touch of a button
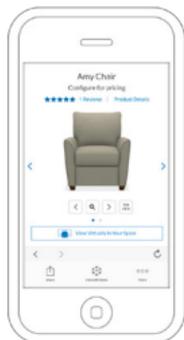

STEP 1

Go to the product page of the furniture you'd like to see in your room.
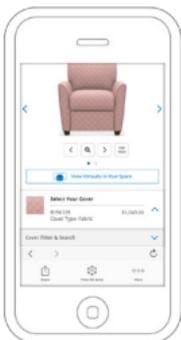

STEP 2

Customize the piece with your choice of fabric, leather and other options.
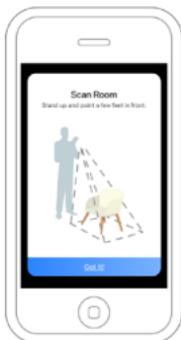

STEP 3

Tap "View Virtually in Your Space" to begin your La-Z-Boy AR experience.

STEP 4

Point your iPhone camera lens at the floor and follow the on-screen instructions.

STEP 5

Resize and rotate the furniture, then snap a photo for future reference or to share.

LA-Z-BOY®

Live life comfortably.
