# Hayden 764 collection ●

Hayden Occasional pairs simple, yet beautiful mid-century modern designs with gorgeous walnut veneers and a rich walnut finish. The cocktail, chair side, end and sofa table tops have pie-matched or fan-matched walnut veneers for drama. Legs are generously-shaped bowed curves that look a bit like the staves in the sides of a barrel. The round cocktail and end tables have a circular shelf at the base, resting on a stretcher shaped to echo the bowed legs. The cocktail table is on casters for mobility. The chair side table has a shelf that rests just above the floor and its edges are pierced by the legs. A demilune shaped base that holds a slightly larger shelf completes the sofa table.
