

FLEXSTEEL®
HOME

Strength on the inside. Lasting beauty on the outside.

At the heart of our upholstered furniture, our Blue Steel Spring™ provides a comfortable sit that is guaranteed for the life of your product.

Stationary Furniture

1. Wood Laminates

are precision cut with the latest technology to ensure accurate assembly and durable stability for years of use.

2. Sinuous Wire

back springs add firm support.

3. Supportive Back Cushion

wrapped in layers of soft polyester provides long-lasting comfort.

4. Comfortable Seat Cushion

consists of a combination of high-resiliency polyurethane foam and recovery foam; choose from a range of firmness levels.

5. Blue Steel Spring

is at the core of our upholstered seating and never needs retying or replacing to keep you from getting that sinking feeling in your seat.

6. Exceptional Tailoring

ensures seat edges and arms are padded, wood finishes are evenly applied, fabric patterns are carefully matched, and nailhead trim is perfectly aligned.
