A BEDROOM IS A SANCTUARY.

Hillsdale can help you make it your own. Our portfolio of beds includes sleigh beds, poster beds, daybeds, futons and canopies – many with optional under-bed storage – so you can make your dreams a reality. With both adult and youth options available, you can rest easy knowing the entire family is tucked into a superior bed crafted from the finest materials.

At Hillsdale Furniture, we believe quality furnishings help make a house a home. That's why we strive to design and build a diverse array of attainable furniture that suits every style. We know that your home is a reflection of your taste and lifestyle, and we want to help you express yourself through home furnishings you'll love. Our styles range from rustic and traditional to modern and transitional. We're constantly looking for fresh inspiration – both based on feedback from our customers and from travels around the world to explore emerging and Old World aesthetics.

METAL BED

From sleek and simple to ornate and regal, if you can dream it, Hillsdale has designed it. Our collection of metal beds is second-to-none in terms of diversity and design. With a plethora of finishes and looks, you'll rest safe and secure in a superior bed. Some models available as separate components or as a complete bed set.

ARLINGTON BED

bronze finish

The Arlington Bed conceptually revolves around spheres and curves. Its arched headboard and footboard design houses spiral spindles and draping metal work -- as well as spherical castings – to create an Art Deco-influenced masterpiece. Its Bronze metal finish blends seamlessly with most color palettes. Requires a bed frame, mattress and box spring.

Fully welded construction features foundry-poured aluminum castings and heavy gauge tubular steel. Assembly required.

ASHLEY BED

rustic brown finish with linen stone fabric

A fusion of metal and upholstered bed styles, the Ashely Bed is simultaneously rustic and contemporary. This transitional and versatile bed features a Rustic Brown metal finish and Linen Stone upholstery to achieve a look that's complementary to any décor. The top rail center embellishment balances the turned posts, round finials and bun feet. Requires a bed frame, mattress and box spring.

Fully welded construction features foundry-poured aluminum castings, heavy gauge tubular steel and 100% polyester. Assembly required.

BAREMORE BED

antique brown finish

Reminiscent of the romantic wrought iron classics, the Baremore Bed will add an antique ambience to any bedroom. This bed features a flourish at every turn; each sweeping metal scroll terminates in an embellished casting. At the apex of the design is an intricate metal valance that recalls the splendor of the Victorian Age. Crown finials and detailed bun feet round out the regal design, while the Antique Brown coating adds the finishing touch. Requires mattress and box spring.

Fully welded construction features foundry-poured aluminum castings and heavy gauge tubular steel. Assembly required.

MERCER BED

antique brown finish

Inspired by the wrought iron fences of the French Quarter, the Mercer Bed brings gentility into your home. Detailed metal scrolls extend outward from the cartouche, which features a shield crest with bas relief embossing. The arms and feet of this bed are a masterpiece in attention to detail, with elegant styling and scalloping featured prominently. Its Antique Brown finish rounds out this regal concept. Requires a mattress and box spring.

Fully welded construction features heavy gauge tubular steel and solid bar wire. Assembly required.

MILANO BED

antique pewter finish

An open pendant cartouche is the focal point of the Milano Bed. This centerpiece metalwork features a tear drop design with concentric ovals; the innermost of which is twisted beautifully to create a roped look. An intricate diamond-shaped casting connects the cartouche to the simple scrollwork of the camelback top rail, while bun feet and oval finials bring continuity to the design. And, the Antique Pewter finish adds an elegant sheen that fits with contemporary or traditional décor. Requires a bed frame, mattress and box spring.

Fully welded construction features foundry-poured aluminum castings, heavy gauge tubular steel and solid bar wire. Assembly required.

TIBURON BED

espresso/magnesium pewter finish

Modern and metropolitan, the Tiburon Bed features two-tone metal construction that captures contemporary trends. The outer headboard and footboard frames are finished in Espresso, while the geometric frame inlays boast a Magnesium Pewter finish, adding depth to the design. This bed's straight lines and clean angles make a strong statement in any bedroom. Requires a bed frame, mattress and box spring.

Fully welded construction features heavy gauge tubular steel. Assembly required.

TRENTON BED

black sparkle finish

With a geometric design that emulates Art Deco window panes, the Trenton Bed has true midcentury modern flair. Its rounded square frame is chamfered to the ball castings, contrasting nicely with the geometric components and softening the look of the bed. The Black Sparkle finish brings vibrancy to the aesthetic. Requires a bed frame, mattress and box spring.

Fully welded construction features foundry-poured aluminum castings and heavy gauge tubular steel. Assembly required.

WARWICK BED

textured black finish

Sleek and slender. The Warwick Bed has modern style that's sophisticated and simple enough to endure changing trends. Subtly tapered spindles and tear drop finials elongate the look of this bed -- giving the illusion of greater height. Its Textured Black metal finish has a modest sheen that adds an extra layer of visual interest. Requires a bed frame, mattress and box spring. Fully welded consturction features heavy guage tubular steel. Assembly required.
