With exceptional cleanability, LiveSmart™ fabrics let you relax.

LiveSmart technology combines a performance fabric with a performance finish to give fabrics inherent durability and longevity. Spills bead up, sitting on top of the fabric until they are gently blotted with a cloth for cleanup. From pets to kids, LiveSmart fabrics can handle whatever your life throws at them.

Cleaning Instructions

- For liquid spills, immediately blot the fabric surface gently with a paper towel.
- To spot clean, soak a clean cloth towel in a soap-and-water mixture (1 teaspoon of a liquid detergent and 16 ounces of water), clean the stained area in a circular motion, and pat dry with a cloth.
- Do not over wet the material.
- For stubborn stains, use a multipurpose cleaner such as Woolite® fabric and upholstery cleaner.
- Pile fabrics may require a light brushing to restore appearance with a non-metallic brush.
